FARTS and PILES

ASSHOLES OF THE MONTH

If its defining characteristic is that it shits, it's an asshole, which accounts for the selection of mother-killing, father-murdering, lying-sacks-of-excrement brothers Erik and Lyle Menendez as **HUSTLER** Magazine's Assholes of the Month for January 1994.

Now 22 and 25, the Menendez brothers have admitted that as 18- and 21-year-old Beverly Hills rich boys, each son carrying a 12-gauge shotgun, they surprised their parents and pumped six shells into their father, video executive Jose Menendez, and ten rounds into Mom, Kitty Menendez. The boys were prepared for the ambush, having traveled down to San Diego a couple of days earlier to purchase the rifles with a stolen ID.

After massacring their parents as the couple ate bowls of vanilla ice cream and berries in the TV room of their \$4 million, Beverly Hills mansion, the boys placed a grief-stricken 911 telephone call to the police, a hysterically sobbing performance that deserved either an Academy Award or a diagnosis as raving sociopaths. The killers, who had left the murder scene to fetch more ammo to finish off their mother, exercised the foresight of removing all spent shells from the slaughter site, ditched their weapons and bloodied clothing and established an alibi before alerting authorities that, "Someone killed my parents!"

The young bloodletters were pathologically cool in the weeks that followed their heinous parricide. The bereaved siblings deliv-

ERIK AND LYLE MENENDEZ

ered touching eulogies, including loving and proud excerpts from a letter Jose had written to Lyle, at a memorial service for the parents they had slain. The survivors consoled themselves on the loss of their closest relatives by blithely spending approximately \$700,000 of their snuffed dad's insurance money on new cars, including a long-wanted Porsche for Lyle, Rolex watches, clothes, the purchase of a restaurant, and a deposit on a \$990,000 penthouse.

Snatched off and brought to trial, the blood brothers displayed a malignant gall. In an expensive defense, funded by the \$14-million estate left by Mom and Pop, the brutal murderers claimed to be vic-

tims, not predators, who had killed in self-defense. The defensively slain couple, however, was unarmed at the time of the fatal, pre-emptive attack.

If the lie-prone brothers are to be believed, their father was a raging tyrant who molested Lyle from the age of six to eight and sexed up the younger Erik from the age of six to 18, still boning the kid a week prior to being shot by the liars he had sired. The boys contend that they killed Mom and Dad due to fear that Father planned to murder them after they'd threatened to expose him as a child molester. The mother had to go too, because her sons were unable to come up with a way of wiping out the father

without eliminating her as well.

Speaking of his father, Lyle, the elder Menendez scion, said: "I hated him for dying, and there were times I hated him for some of the things he did to my mom." Jose died primarily because Lyle and his brother blew half the old man's head off while filling his body full of lead. As for Jose's cruelty to Kitty, could the father have done anything to his wife that would be worse than firing a shotgun directly into the woman's cheek and disintegrating half of her face after capping nine shots into her body?

Lyle claims that he felt he had "betrayed my dad to some extent" by relating the allegations of sexual abuse in court. The killer with a conscience also asserted that he loved his mother when he put a shotgun to her left cheek and pulled the trigger.

Associates described Jose Menendez as a prick. The atrocities of his sons indicate that the father might have benefited from being castrated before he had spawned. However, two treacherous and pampered killers—characterized as "children under pressure" by their defense attorney—are attempting to justify parricide despite being old enough to move away from the offending parent at the time of the murders. The Menendezes are trivializing actual victims who seek working solutions to real abuse.

Papa Jose's motto was, "Lie, cheat, steal, but win." His sons learned well. They may lose their date with the death penalty, but they've won an honor that cannot be appealed—dual Assholes of the Month.

Burt Reynolds: For a guy who has yet to figure out how to buy himself a decent wig, television actor Burt Reynolds is an attractive man. If he wants to trade in his wife of many years for a younger model, it's his right as an aging Hollywood ham to do so. Publicity and image being the lifeblood of celebrity, Burt was within the bounds of show-biz propriety when he

Farts in the Wind

slagged estranged wife, actress Loni Anderson, on talk shows and in tabloids. Now, after he's begged the media for attention, he's whining that the papers won't leave him alone. Burt's keeping an extra Asshole under the rug.

Richard Berendzen: Three years ago, Berendzen resigned as presi-

dent of American University in Washington, D.C. He'd been caught making a series of obscene phone calls to a local woman. Berendzen has now released a story of childhood sexual abuse. He's applauding his own courage for looking back and writing an expensive book about his incestuous past. A hero to himself, Berendzen is an Asshole to the world.

Two of the toughest jobs for HUSTLER editors are thinking of new synonyms for *pussy* and selecting the four *Beaver Hunt* semifinalists each year. Every day, HUSTLER receives fistfuls of letters from readers begging us to show more of their favorite *Beaver Hunt* girl. Finally, those pud pals can squirt ink with a purpose. Select one of

these four beauties to be HUSTLER's *Beaver of the Year*, 1993. The girl receiving the most votes wins \$5,000 and a trip to glamorous Beverly Hills, California, while lucky voters get to see her naked body from every angle in an upcoming pictorial. Study long and hard, and help choose the...

HUSTLER. Beaver of the Year 1993

Sahara. This 22-year-old sales clerk from Oklahoma City, Oklahoma, first peeled pubes last February. Her hobbies are still exotic dancing and sun-bathing, although her fantasy of a "hot, wet spread in HUSTLER" was fulfilled in March with her semifinalist layout. Imagine what she'd do if she were granted another!

Angie. Call us two-timers, but we were so taken with this 23-year-old's home photos in June that we made her a semifinalist that same issue! A beautician from Fort Wayne, Indiana, this fast-lane femme digs skiing, motorcycle riding and sex on the beach during a light rain. Make it pour, guys!

Miko. March marked Miko's first *Beaver Hunt* appearance. We were flattered by her admission that she'd been a regular HUSTLER reader for 15 years. Since she likes to travel, we invited Miko to our studios for her semifinalist spread in September. San Jose, California, is this 24-year-old student's home. She'd someday like to see how many men she could handle in a single night.

Felecia. Summer was made hotter with this exotic dancer's first *Beaver Hunt* showing in July. In fact, she thawed our cool December issue with her semifinalist spread. A busy 21-year-old, Felecia's hobbies are sex, sex and, yes, more sex. This Los Angeles, California, resident fantasizes about being dominated by two or more women. Could be the theme of an encore layout.

Parody. Not to be taken seriously. This is not Heidi's pj design; hookers don't take credit cards.

PORN FROM THE PAST

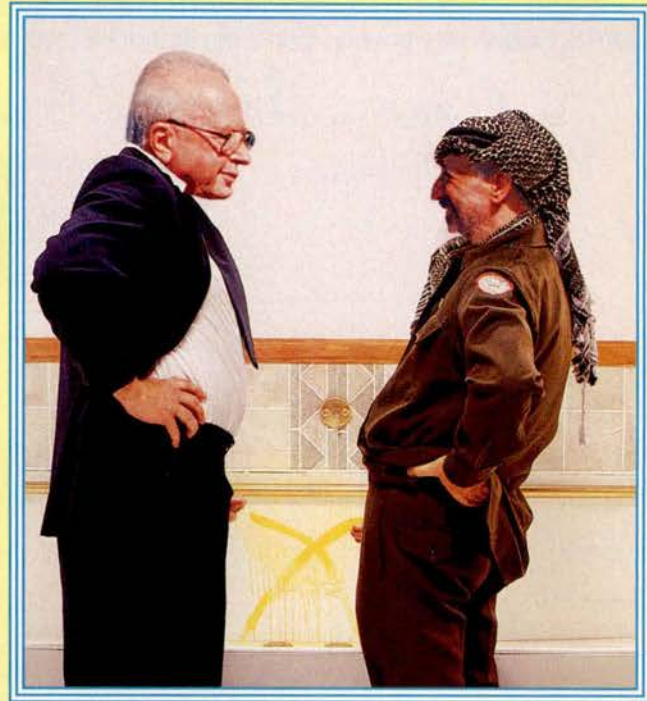

What's in a cunt? That which we call a rose; by any other name would smell as sweet. Ah, but to feel the supple thorns upon thy bosom makes us want to shoot a hot load of sperm across thy chest. She went from being a maudlin, alcoholic, pill-popping cow who trumpets AIDS charity and freak Michael Jackson with similar mooring pretension. Give Piss a Chance

WASHINGTON, D.C.—While mainstream news magazines opted to run the obligatory, hand-shaking propaganda shot of Israeli Prime Minister Yitzhak Rabin and Palestinian Liberation Organization Chairman Yasser Arafat during last September's Israel/PLO accord, HUSTLER went behind the scenes to capture these former adversaries crisscrossing their piss streams in the ultimate show of golden solidarity.

Give FLORIDA a Shot This Season?

Lower both travel costs and life expectancy with the FATAL (Florida Assassination/Travel Association Ltd.) holiday package. For a limited time, FATAL is offering special discounts to all foreign travelers. Round-trip ticket? Save that cash; a one-way fee is the only price you'll pay.

Accommodations? Forget 'em. A cheap rental car becomes a comfortable coffin during the thrilling drive from the airport into the great beyond. Ask any of the ten foreigners who've been slain by Florida's hospitality in the past year alone. Relax and leave the dying to us.

FLORIDA

Parody. Not to be taken seriously. Florida cannot guarantee all foreigners will be slain. Tax, ambulance and mortuary fees not included.

Hot on the heels of the historic accord between Israel and the PLO, HUSTLER announces its attempt at a new, uterus-friendly presentation. In the past, for example, this page might've been filled with women in canine positions or nasty close-up shots of a girl's bunghole. Well, no more. HUSTLER hopes to wipe away the stain of degradation and promises to try to keep...

Our New Year's Resolutions

Although it's a classic **HUSTLER** pose every bit as famous as the Mona Lisa's crooked smile, we'll try to stop showing girls in canine positions.

Real men would eat quiche, if the eggs had been cracked between a girl's butt cheeks. Nevertheless, this kind of gourmet goody has no place in a peaceful world.

Placing a magnifying glass over a chick's monkey button serves no purpose but to show one of our favorite sides of a girl up-real-fucking-close. We vow to be more respectful of ass-holes in the future.

Coming next month: See a girl slurp raw eggs out of a dog bowl with a toe jammed in her ass! (No one said this kinder-resolution shit was gonna be easy.)

Busted Beaver

I'm writing to give some advice. I made the mistake of entering HUSTLER's *Beaver Hunt* contest, was selected and appeared in the June 1993 issue. I'm a happily married and extremely faithful woman. I realize now that nudity should not be considered art, especially in the case of HUSTLER Magazine.

The women in HUSTLER are considered tramps. So my advice is this: To all the women thinking of entering, please consider that all your friends and even your closest family will think of you as a tramp, even if you're a devoted wife. It isn't worth the \$250. And to all of you that talk about me wrongly, fuck you! You haven't got a clue!

Canada Mist

This letter is in regards to the reply to the Canadian writer in HUSTLER's *Feedback* in October 1993 ("Raging Moose," *Feedback*, October '93). Mr. A. B. of Ottawa, Canada, was a real prick and was totally out of line with his letter. Yes, Canadians have the best strip clubs, but our civil-rights commission is not as open as the U.S. when it comes to erotic literature and pictorials. Most Canadians are not as mouthy as A. B., but even so, you guys don't need to badmouth Canadians in general. We do put out some of the most luscious, beautiful, open-minded women in the world.

I've been in HUSTLER's *Beaver Hunt* section. My interests include modeling, lingerie, threesomes and gang-bangs. All I want is sex! I would love to do a photo shoot for HUSTLER Magazine, but after reading *Feedback's* comment to A. B. about Canadians, it makes me feel a little different than before. Americans are no better than Canadians, and I will never

buy HUSTLER Magazine again, nor will my friends, unless HUSTLER writes an apology to open-minded Canadians. Trust me, I will not read nor buy HUSTLER Magazine again, and I'm sure your sales are important! I really did like HUSTLER Magazine, and I would hope to have future dealings with you!

—T. S.
Surrey, British Columbia

The picture of yourself that you included in your letter, T. S., is argument enough that Canada possesses natural resources that rank among the most beautiful on the planet!

Prison Legal Views

HUSTLER readers may be interested in learning about *Prison Legal News*. *Prison Legal News* is a 16-page monthly magazine published by myself and another prisoner here in the Washington DOC. We cover the latest legal news and decisions

affecting prisoners as well as news and articles of interest to prisoners, their loved ones and citizens interested in the criminal justice system. We are uncensored and since May of 1990 have reported on prison struggles that the mainstream media has chosen to ignore.

Prison Legal News is not just for jail-house lawyers. If you don't know what your rights are, you don't know if they're being violated or if you should seek help to vindicate them. In the past, we've run articles on challenging prison censorship, phone monitoring, excessive costs and much, much more. Send \$1 for a sample copy to: *Prison Legal News*, P. O. Box 1684, Lake Worth, FL 33460. Citizens who want to learn more about what's being done with their tax money should also check out what we have to say. It's no secret that you aren't getting your money's worth for the billions of dollars being poured into prisons and the criminal justice system.

Shane and Dan again, and we'd like to suggest more straight, heterosexual action like theirs and less lesbian coverage, which is getting vastly overdone.

To spice things up a bit, we picture Shane arriving at a real Western dude ranch in Wyoming with her husband. It's her birthday; the dude-ranch vacation is her hubby's birthday present to his pretty wife. Along comes Dan, a big, blond, muscular stud who's one of the cowboys at the ranch. He plays country western songs on his guitar for Shane and invites her for a tour of the ranch. She jumps in his pickup truck and he drives her off to a secluded spot in the nearby desert, where he lives in his trailer. He spreads a blanket on the ground, and the pictures are worth many thousands of words after that!

If you think the cuckolding theme is too controversial, what about Hemingway's *The Sun Also Rises*, James Jones's *From Here to Eternity*, F. Scott Fitzgerald's *The Great Gatsby* and John O'Hara's *A Rage to Live*? If these writers' fascination with the cuckolding tendency in women isn't too controversial, HUSTLER should be able to take it in stride!

Psycho Solace

Congratulations on HUSTLER's interview with Richard Ramirez (*The Night Stalker Talks: A Q&A With Richard Ramirez*, November '93). Considering the specimen value of a supreme psycho, Ramirez is a valuable commodity at present. Also, I applaud *Mystiqua and Rob: Grunge Plunge* (*Mystiqua and Rob: Grunge Plunge*, November '93). *Mystiqua's* tempered Citibank bracelet is amusing.

I find solace in noting HUSTLER's cartoons, with their unmerciful portrayal of the human condition. I need to know what my boyfriend is likely to be thinking. This knowledge may spare me a costly divorce in the future.

—M. R.
Bloomington, Indiana

I enjoyed HUSTLER's interview with convicted killer Richard Ramirez (*The Night Stalker Talks: A Q&A With Richard Ramirez*, November '93). I am happy that HUSTLER Executive Editor Allan MacDonell did the interview. He caught the perfect skew to flesh out Ramirez. Talk about chills and thrills!

Fucking Ahhhh!

You guys are fucking awesome. I never knew HUSTLER was so great until my friend gave me his October issue after he

was done reading it. Fuck *Playboy*. Fuck *Penthouse*. They suck my cock. Nothing compares to flipping through the pages of HUSTLER with a brewski!

You guys are trashy as hell. Whenever I look at HUSTLER Magazine, I can't help getting an enormous woody. Every once in a while I have to spank my monkey. The only thing that makes me want to kick your ass is when I see those stupid comics. They're sick. Other than that, you guys are awesome, horny bastards. Keep up the good work. If anybody complains about HUSTLER, fuck 'em! —Squirrel

Fly Guy

As an airline pilot, I really enjoyed the pictures of Miko in the passenger cabin of an airplane in HUSTLER's September 1993 issue (*Miko: Three Me: 1993 Beaver Hunt Grand Prize Finalist #3*, September '93). Even though Miko was not flying first class, she's got a first-class pussy!

I would love to see Miko in a future issue posing and exposing herself around the first-class section of a wide-body jet, showing her wide-open pussy and relaxing around all the luxury and comfort of a first-class cabin, as only HUSTLER knows how

to do it! By the way, I'd like to ask the authorities of the Miami International Airport to pay more attention to preventing crime and patrolling all the people around the airport who have nothing to do with aviation or passengers, instead of wasting time banning HUSTLER Magazines from the magazine stands! I'm speaking as a professional pilot: The Miami International Airport and its vicinity are the most dangerous area in South Florida. HUSTLER has nothing to do with it!

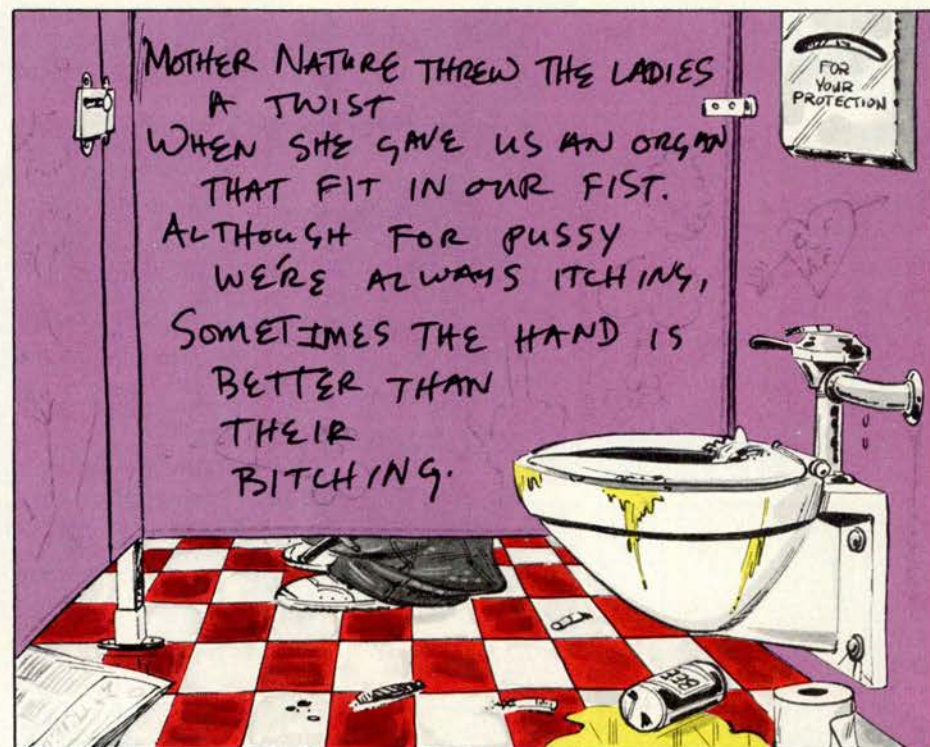

—I. J.
Caracas, Venezuela

Two Cents

I have a suggestion that I believe would cause HUSTLER's readership to go through the roof: Why don't you sponsor a contest asking all participants to write a letter stating why HUSTLER Magazine is the best men's magazine today? The grand-prize winner would get to direct an adult video with the adult-film star of his or her choice. The second-place winner could receive a phone call and a personally made video from his or her favorite adult-film star. The third-place winner could receive a lifetime subscription to HUSTLER. erotic EDITED BY SCOTT MALLORY

DRAGON LADY 5: TALES FROM THE BED 4

Three-Quarters Erect. Directed by Robert McCallum; starring Keanna, Stephanie DuValle, Lana Sands, Paree Latieja, Stacy Nichols, Steve Drake, T. T. Boy, Dick Nasty and Ron Jeremy. Videocassette: Western Visuals.

A collection of porn quim that is, on the surface, not quite the best money can buy? A story about a magic, cursed bed? The comedic torments of an unfettered Ron Jeremy? Upon reconsideration, *Tales From the Bed 4* has plenty that recommends it for the garbage heap, but first impressions mean the most, and one look through *Bed 4* will convince impressionable onanists to crawl right down there in the trash with the video's cast. Six of *Lady 5*'s seven (seven being two more than the mean average) vigorous and raunchy couplings culminate with hot, frothy testicle spew burbling across some

slattern's lips and chin. The only nonfacial ejaculation is a direct semen splattering of a winking asshole. A high-contrast view of milky wad crusting on dusky Paree Latieja's ebony cheeks is *Dragon*'s most cinematically satisfying climax, though every scene is a contender in sleaze. *Tales* is a good reason to stay in *Bed*. —Christian Shapiro

Crawl right down in the trash with Nichols.

Wad crusting on Paree is cinematically satisfying.

CRIMSON KISS

Half Erect. Directed by Robert McCallum; starring Ariana, Nicole London, Sean Michaels, Steve Drake, Nastasia, Cal Jammer and T. T. Boy. Videocassette: Western Visuals.

It's funny what's memorable about mediocre porn videos. After *Crimson Kiss*, the most lingering image isn't even sex. A thin length of gold chain wrapped around Ariana's waist is the fuck flick's highest point of recall. The glittering fashion accessory enhances Ariana's dark, Italian attraction, making her seem even more like a mysterious gypsy. Aside from the magical gold chain, the crimson moment that springs to mind is the complete abandon with which Nicole London attacks Sean Michaels, sucking his cock like she needs to breathe. The rest slips from consciousness. This *Kiss* is a quick peck on the cheek.

—Scott Mallory

BUNBUSTERS 3

Half Erect. Starring Raquel Linneau, Cumisha, Lady M, Jeph Wilson, Wolf Savage, Rodney and Dick Nasty. Videocassette: L.B.O.

This series has none of Gregory Dark's surrealistic sphincter flair or John Stagliano's nose-deep obsession. Instead, *Bunbusters 3*'s professional-amateur format eliminates imagination and cuts right to the sex. We meet three girls, watch each strip, suck and ultimately have her butt merrily burrowed. Admittedly, it's a popular concept. Raquel Linneau is the film's finest femme, with a slender bod and tanned face similar to megastar Raquel Darian's. Sublime is the moment Linneau sits her shitter on a dick and winks her chewy cunt at the camera with every downward thrust. There's no dialogue, no Stagliano-type patter to intrude upon our heroine's business of smearing her face with milky mascara. However, intrusive, high-speed camera tricks leave LSD-like trails across the screen every time a girl bobs her head. Cumisha spreads her Orient Express for a double bang in cunt and caboose, and Lady M, an older piece of trailer-park snatch, has a cunt that dribbles clear juice when a dick pushes inside her buttohole.

—Seth Roberts

THE REHEARSAL

Three-Quarters Erect. Directed by John Leslie; starring Lydia Chanel, Cheri Lynn, Rocco Siffredi, Debi Diamond, T. T. Boy, Tom Byron, Shelene, Joey Silvera, Mark Davis, Dyanna Lorrin, John Leslie and Jamie Gillis. Videocassette: VCA.

After *The Rehearsal*, two things are certain: that director John Leslie and crew have provided a stark behind-the-scenes sniff at the atmosphere of a porn set that could be a documentary but plays like a movie; and that Lydia Chanel needs no further practice in the art of filling her squeezey buttohole with stiff dick. Chanel squats over Joey Silvera and slowly lowers her *parlez-vous* onto his upright rod, pauses for a moment to adjust to the girth and then settles down the final inch and half to ecstasy, her eyes rolling back into her head as she bounces on cock and moans in French. It's a Kodak ass-fucking moment. Also worth adding to the mental photo album: Cheri Lynn on her knees tongue-fucking Rocco Siffredi's asshole while jerking him off; Mark Davis's goggled-eyed astonishment as Debi Diamond frantically and repeatedly deep-throats his cock, fucking her face like she's trying to punch a hole through the back of her head; and Shelene's curvy, statue-in-the-park body.

—S. M.

London is wild, but the *Kiss* is a peck.

Lynn and Siffredi need no *Rehearsal*.

THIS IS YOUR WAD

Life is what you make of it, and for Sharon Mitchell and Randy West, life has been one long, sexual performance piece. Mitch and West, who started their fuck-flick careers before VCR was added to the language, had their contributions to the genre acknowledged at last summer's Night of the Stars gala, an annual event that plays like a tuxedo-clad circling of the porn wagons against the oppressors of sexual expression.

Photos by David Edwards.

summer's Night of the Stars gala, an annual event that plays like a tuxedo-clad circling of the porn wagons against the oppressors of sexual expression.

North wades in Sparxx's *Hollywood* juice.

THE GANG BANG GIRL 11

Three-Quarters Erect. Directed by Christopher Alexander; starring Deborah Wells, Lady Berlin, Monique and the Gang Bang Guys. Videocassette: Anabolic Video.

Watching a good gang-bang is like seeing a championship hockey match. Men jockey for position, spend two-minute intervals inside some chick's penalty box and, when they come out, quickly skate to the woman's face to shoot and score, leaving a trail of chunky ice in their wake. There are three face-offs in *Gang Bang Girl 11*, and each girl vies for the affections of eight to ten dicks in a sensual overload of sweat and semen. Deborah Wells is a Hungarian goddess with legs like marble columns and a face that looks delicious covered in an eight-man ball blitz. Monique may look like an everyday, Hollywood actress/waitress, but stick a dick in her cunt, one in her mouth and one in each hand, and she positively glows! After the Gang Bang Guys play Spin the Snatch, they wash her

Bang: Give Monique five cocks, and she glows.

face with dick suds, painting an insincere smile more poetic than the Mona Lisa. Truth is beauty. Gang-bangs generally live and die by the choreography, and these vignettes are each well-paced and organized, leaving no man standing around with his dick in his hand—except the viewer at home. —S. R.

HOLLYWOOD TEMPS

Three-Quarters Erect. Directed by Jourdan Alexander; starring P. J. Sparxx, Debi Diamond, Crystal Wilder, Tina Tyler, Joey Silvera, Peter North, Cal Jammer, Tony Tedeschi, Blake Palmer and Sean Rider. Videocassette: Zane Entertainment.

Hollywood screenwriter Joey Silvera and his writing crew head to the hills to create and, instead of calling Heidi Fleiss, they take a carload of porn sluts, er, "secretaries" with them. Peter North dictates to P. J. Sparxx beside a stream and wades in her goody juice before adding a gallon of his own across her belly; Crystal Wilder helps Silvera out of his jeans and into her beautiful cunt, a hole so large that all of L.A. must quake when a dick splits its fault line; Sparxx walks all over Debi Diamond's healthy bod, shoving three little piggies in Diamond's snatch before Debi removes the toes and sucks her own twat jam, giving Sparxx's foot head like she expects it to spurt cum. And that's only a warmup for Cal Jammer to fuck them both! Director Jourdan Alexander keeps his sex sweaty, cutting from long shots to closeups of lips, nips and thighs within a span of seconds. The rhythmic editing increases the already high raunch factor, making an ass-fuck of dynamic Diamond hot enough to watch a dozen times. The pool of cum that eloquently fills her gaping bung speaks louder than any bogus screenwriting. —S. R.

SATURDAY NIGHT LIVE AT CANOGA PARK

Three-Quarters Erect. Directed by Fred J. Lincoln; starring Mike Horner, Tom Byron, Chris Collins, Lana Sands, Patricia Kennedy, Marc Wallace, Melanie Moore and Debi Diamond. Videocassette: A.F.V.

The signature skits of late-night television comedy institution *Saturday Night Live* are readily transferable to the XXX-video medium, as proved by the schtick and dick of *Saturday Night Live at Canoga Park*. Tom Byron and Mike Horner parody a pair of comedians parodying an Austrian musclehead, and a brunet busy-buns pops in to receive a share-and-share-alike double reaming—she's quite adequately drilled, but

Byron squeezes his log into her A-hole just to be sure. Patricia Kennedy and Marc Wallace star as the Dickheads—try to guess which SNL family inspired Pat's and Marc's penis hats as Marc attempts to wedge his entire self up Patricia's snatch. Two wild and horny bitches are indeed more engrossing than a pair of wild and crazy guys. Headline humor is made better rather than worse by a blowjob on the news-room desk, and the androgynous thing is revealed to be a real succulent-butt girl who's open to strapping flesh with either sex, both at once. *Saturday Night* is a decent addition to the lonely guy's weekend programming.

—C. S.

BULL DYKE HUMILIATION

Half Erect. Directed by Jim Gunn; starring Ariana, Gia and Cheri. Videocassette: Pleasure Productions.

The rutting, power-gaming bondage lesbians who slap, whip, spank, pinch, pull hair and grease up throughout the tantalizingly short duration of *Bull Dyke Humiliation* bely the flannel-shirted images of butch, cinder-block women conjured up by the tope's menacing title, and that vision is a good thing to bely. Each of the heroines of *Humiliation*—all three of them—is actually thoroughly appealing in a trashy way. On the pretext of doing something with her fair-haired friend's coif, brunet Gia leads blond Cheri to a cosmetician's chair—and then handcuffs her to it. Cheri protests plaintively, but the fact that she forgot to wear any panties that day is soon revealed and undermines her wails of innocence. Bossy and boss Ariana appears and takes an active hand in directing the highly active kissy-feely-slappy-spanky activity, which transpires in numerous configurations but lasts for only one scene. Anyone who didn't finish *Dyke* wanting more must be lying.

—C. S.

Dyke: thoroughly appealing in a trashy way.

THE SEX CONNECTION

Half Erect. Directed by Jake Ryder; starring Nicole Landon, Kiss, Devan Shire, Cady O'Connor, Steven St. Croix and Kris Newz. Videocassette: VCA.

Based on the syndicated kiss-and-tell TV show *Love Connection*, *The Sex Connection* is short on originality and imagination and also lacks some qualities that matter. Don't expect any dick-in-the-ass fireworks; forget about semen-to-nose pyrotechnics; dismiss most notions of explosive sexual intensity. Devan Shire shares a stairway and some pussy with a chick who's not much less wooden than she is herself. Maybe they get off. It's within the realm of possibility. The semen that caps *Connection*'s four hetero couplings (one of which is, believe it or not, a two-prong-on-one-socket threeway) is beyond reasonable doubt authentic, landing on torso or derriere of passably do-able fuck fodder. In theory, a wanting dick could probably strike off a spark from *Sex Connection*, but who can say for sure?

—C. S.

Connection: possibly do-able fuck fodder.

Inside: pouty-lipped Nancy boys and Taylor.

INSIDE OF ME

Totally Limp. Directed by Sam Abdul; starring Scott Hardman, Busty Belle, Alex Carrington, Stacy Nichols, Tianna Taylor, Dylan Fox, Tanya Storm, Scott Summers, Brad Morgan and Nick Manetti. Videocassette: Pleasure Productions.

It's good to keep an open mind, but not so open that anything can crawl right in, even *Inside of Me*. Cast list alone is sufficient warning—more guys than girls, and a dude gets top billing. It doesn't take a genius to deduce that, before *Inside of Me* has fully unspooled, some 'mo will end up with a dick shoved up his cocksucker asshole, and jizz will be smeared like Cheez Whiz across the mugs and chests of pouty-lipped Nancy boys. Yes, some chicks do suck some dick, and a girl/girl hole swallow is included to give this fag-fest the appearance of bisexual leanings, but the chicks aren't really any more into these invert fellows than is the dismally disappointed true tit-man who had been anticipating jacking off to Busty Belle or Tianna Taylor. Any smut user who allows his libido to be penetrated by *Inside of Me* is queer.

—C. S.

Smell That

New pussy has an aroma all its own. Take a whiff of four of porn's freshest spreads, clockwise from top right: Marilyn Blake (*Indecent Proposition*), Kitty Yung (*Slave to Love, A Is for Anal*), Valeria (*Two of a Kind*) and Chasey Lain (*The Original Wicked Woman*).

Photos by Scott St. James.

PRECIOUS CARGO

Half Erect. Directed by Mr. Gallo; starring Debi Diamond, Marilyn Blake, Angel Bust, Natasha, Sloane, Tony Martino and Scott C. Videocassette: Visual Images.

An easy-access blonde tosses and yearns in her ranch-style suburban home. Narration: "Debi can't sleep; so she reads *Precious Cargo*, which gets her mind wandering. Pretty soon she becomes involved in her fantasies." But probably less involved than the viewer with bone, who provides a participatory audience to: the big, open snag crack of a big-hair blonde with more pussy lips than most; a pair of tramps, each of whom was probably among the four cutest girls growing up in her respective trailer park, playing with pearls and pussy; a standard pop-shot on a redhead's tits; avid oral work and an anal probe from a hippie boy and girl; and a bruised and battered Debi Diamond going choad wild, swallowing whole dick into her face right-side up and upside down, slapping her ass and poking a finger up her asshole in a heaving, hostile, hair-pulling fuck that ends with Diamond oozing sleaze and gulping for jizz. How can such a load of squalor provide so much *Precious Cargo*? —C. S.

BUTT SLAMM

Three-Quarters Erect. Directed by Bruce Seven; starring Felecia, Tianna, Celeste, Misty Rain, Lia Baren and Sydney St. James. Videocassette: Bruce Seven Productions.

The room would be dark if not for scattered, white flashlight bursts that flicker shadows across feminine skin and pretty faces taut with desire. Most of the light falls on Felecia, the object of devotion in a mysterious, lesbian sex ritual that defines the appeal of *Butt Slammers 2* and perhaps all of Bruce Seven's twat-only sex tapes: no men allowed, needed or wanted. In a particularly disturbing sequence,

Slammers: No men allowed, needed or wanted.

Lia Baren drives her teeth into the defenseless balls of a fake-prick appendage, a passionate bite that reduces the home bone's ego while engorging him with a confusing mixture of fear and defiance. "I'll show you cunts!" shouts the viewer, and he splatters the screen with cum.

adult-film connoisseur, I can tell you all adult-film watchers' fantasy is to direct an adult film. What would make this contest really fantastic is if you let the winner select two of his or her favorite adult-film stars to star in the movie. My choice would be Nikki Dial. You can have my idea, but please give me credit in your outstanding magazine. Only HUSTLER would have the nerve, backbone and intelligence to think of such a fantastic idea. —D. W.

U.S.S. America

But you've already thought of the idea, D. W.! If it were up to us, a lifetime subscription to HUSTLER Magazine would be the grand prize, not the prize for third place!

Mission of Mercy

In 1942, my late uncle was sailing the North Atlantic on Liberty ships loaded with bombs. Was he a patriot or a mercenary? The American troops who went ashore at Normandy in 1944, who died at Verdun, Iwo Jima, Lexington—patriots or mercenaries?

People who fight for their countries are commonly called patriots. People who get paid to fight for other countries are called mercenaries.

Why Somalia (*Holiday in Somalia: No Hope for the Hopeless*, December '93)? The U.S. government is contracting its soldiers out. I hear about our boys getting killed and say to myself, "Oh, well. They weren't fighting for this country. They were paid." U.S. grunts who get their asses shot off working as mercenaries best not come crying to me!

—S. S.

Marysville, California

Girls Go Good

I've been a faithful reader of HUSTLER's articles, and the models have been out of this world (in a good sense of the word), but the best issue I've read lately was November 1993. It was totally great, all the way through, especially Chealsea Ann (*Chealsea Ann: Private Party*, November '93) and Christine (*Christine: Live Wire*, November '93). As for Chealsea Ann, I'd definitely give her a private party! She's the most beautiful brunette I have seen in a long time. And Christine could really light up my nights. Thanks, HUSTLER, for many years of enjoyment!

—T. C.

Gypped

I paid \$20 for a medical dictionary because it has lots of illustrations of female anatomy. I could have bought two

issues of HUSTLER and two issues of HUSTLER BUSTY BEAUTIES with that \$20 instead. But I didn't, because I'm a big fan of Christy Canyon and Ebony Ayes, and HUSTLER's mags don't feature them often enough; so fuck you! You seldom feature Christy Canyon, and you never feature Ebony Ayes; so I'll just go squander my money on other things instead.

What about publishing a sex-superstar special called *Honey, Syrup and Molasses* featuring Christy Canyon, Ebony Ayes, Tiffany Towers? On the cover, have Tiffany holding up a glass jar of honey, and Christy holding up a glass jar of maple syrup, and Ebony holding up a

glass jar of molasses, side by side. And maybe have Tiffany, Christy and Ebony each licking their lips to suggest sweetness! If they were all good and nude and we could see their tummies and navels, then I would not mind paying \$20 for a book without any ads!

If comely **Cassandra** is an example of what Canada has to offer, looks like the North American Free Trade Agreement will be a success! This 21-year-old lovely owns a dog-grooming business in Calgary, Alberta, Canada, and is a whiz with the shears, if her pubic area is any indication. "I was bored one day and just started experimenting with shaving cream and a razor," she explains about her loving pubic patch. "Now I have to shave my pussy every two days, or else the heart starts to itch." She prefers scratching any one of her five dogs, and also enjoys dancing and reading. If she could plan a fantasy fuck, she'd like two men and a nasty woman to bind and blindfold her and make her submit to a variety of carnal capers.

"This is what guys miss out on when they ignore the ugly ducklings," says **Dynasty** about her bodacious body, which didn't blossom until a year before her 18th birthday last May. She's a go-go dancer in Vandalia, Ohio, who admits to a fondness for sex in different places. "In the kitchen, in the car, in the bathroom...." In the ass? "Not yet," she giggles, but soon. This 36-24-34 beauty took her nickname from a KISS album, having long been an admirer of bassist Gene Simmons's serpentine tongue. She loves watching porn movies and fantasizes about shooting a red-hot scene with Savannah and Madison, her two fucking favorites. She's already had one lesbian experience when she was younger. "Me and this other girl were having sex with this guy when she started touching me," Dynasty recalls. "I was so nervous, I was shaking. But when she licked my nipples and touched my pussy, I went wild!" In her spare time, Dynasty writes love poems and leaves us with one of her favorites, called "The Warmth of Your Body."

*As you pull me close
I feel the warmth of your body surrounding me.
It makes me shiver with excitement,
as I hear you softly whisper,
"I love you."*

Here's one **Mercedes** that never needs new parts! This 27-year-old beauty from Campbell, California, maintains her good shape by skiing, hiking, swimming and biking. She'd like to become a veterinarian someday and, in the meantime, uses her body to pay the bills—she's a fashion model. She has yet to find the right man, but prefers someone who's "honest, with a good sense of humor, and who's not a macho geek." Once she finds Mr. Right, he can look forward to plenty of oral sex and to watching her ride his cock from above, since those are her favorite positions. He should also like adventure, since she dreams of fucking on a boat in the middle of the ocean and also wouldn't mind filling a jacuzzi with whipped cream and a man, and digging for his cherry with her tongue. She also likes being seduced by other women, which has happened four times in her life. "Women tend to be more sensual than men, and I like their curves." This Mercedes really handles well!

SILENT NIGHT, HOLY FUCKING NIGHT

The holiday season inevitably reminds me of the greatest gift I've ever received. I had just turned 18 and landed the role as one of the three wise men in my parochial school's annual Christmas pageant. The young girl chosen to play Mary was a hot, little slice of Midwestern cherry pie, with light-blond hair and tiny torpedo titties poking through her peasant costume. She actually looked a lot like a young Michelle Pfeiffer, which made for some very stiff scenes.

One afternoon, a week before Christmas, the other two wise men and I were dressed and ready for rehearsal. Waiting for the teacher, we shot the shit with Mary in the onstage manger set. With her long, naked legs resting in the straw, a few strawberry-blond pubes peeked out from her cotton underpants. Her lips were talking, but my eyes were glued to that virgin's pussy. She caught me spying her cooze, threw me a naughty smile and was walking toward me when Father Dan popped his fat head inside the barn set. Our teacher, Sister Margaret, was ill, he told us. Rehearsal was cancelled. Some of the other kids split, but Mary and I hung out and played an impromptu game of truth or dare.

"Bobby," she grinned, "have you ever touched a girl's boobey?"

My mouth hit the floor about the same time as my dick. "No," I quavered. She dared me to touch hers. *Mary fucking Christmas!* I thought, winking to the guys and sitting down close to the girl.

Mary loosened her corset and untied the strings at the top. I swallowed what

little spit I had and slid my hand down her top. Her chest felt damp; sweat glided my hand further south until I touched the tiny goose bumps around her nipple.

"Well?" she smiled coyly.

"Feels like gingerbread," I laughed.

The other two wise men sauntered over for a feel of their own; she returned the favor with a firm grip on their dicks. The other guys were older than I and more experienced at lovemaking; they pinned her arms to the floor and ripped the peasant costume from her torso. Her light, white tits glowed under the sheen of the stage's North Star light.

Mary stroked the guys' boners, tugging on their loose dick skin. The wise men lifted Mary in the air and yanked her cotton panties down her slender thighs. The scent of her pussy added to the realism of the barnyard setting.

I tossed the plastic baby Jesus out of the manger so that Mary could use His crib for a bed. She laid down her sweet head, and a wise man sucked her titty while the other French-kissed her face.

Swallowing my uncertainty like a lump of stale gum, I stuck my face into the darkness of her hairy pussy and started working my tongue like a frog catching flies. Her cunt was wet and tasted of oatmeal. I had no idea where the goddamn clitoris was (something high-school sex ed failed to teach), but I must've been doing something right; tiny trickles from the virgin's vag dribbled down my throat.

I spanked her pussy with my tongue and wrapped my mouth around her beefy labes until someone grabbed my hair from behind and pulled me away from Mary's cunt.

"What the fuck's going on?" shouted the guy holding on to me. I thought it was Father Dan, and I just about shit my smock, until I turned and saw Jesus Christ standing with fists clenched and the devil in his eyes! Actually, it was

Mary's boyfriend, Tommy, who was dressed as Christ for a scene later on in the play. He was no fucking savior now as he pulled back his fist to punch my face. Thank God the other wise men knocked him to the floor. A bottle of myrrh—my gift to the baby Jesus—fell from a shelf and bonked our Lord on the noggin. Christ was out cold!

The other wise men panicked and ran from the theater, and I was ready to run myself; but Mary grabbed my hand and pulled me back inside the barn set. "Stay with me," she said, placing my hand over her still-bare breast.

Blood rushed through my body; Mary pressed her mouth to mine. Perspiration nestled between our bare chests. She grabbed my dick and ran her teeth underneath the head.

My peen was still covered with her warm saliva when Mary climbed back inside the manger and juttied her pink ass into the air. I stood on the baby-Jesus doll for height, bringing my dick eye-to-fucking-eye with her heavenly, pink pussy.

As soon as my cock pierced the hole, her ass thrust backward into my groin. In one second, my five-inch prick was lost in her hairy oasis. The walls of her pussy lightly tingled my shaft with every movement. Her moans echoed throughout the church's auditorium. I grabbed a handful of tit dangling down below and

Mary climbed back inside the manger and juttied her pink ass into the air. I stood on the baby-Jesus doll for height, bringing my dick eye-to-fucking-eye with her heavenly, pink pussy.

hammered my hips into her soft butt cheeks. She screamed like a demon, her teeth clenched, and her skin flushed with passion. I pulled out and turned my lady over, reaming her tight pussy on the spot where the choir would be singing "Silent Night" just one week later. Her bright-green eyes pierced my own as little-girl squeals escaped her peach-colored lips. I bowed my head to her breasts and sucked the sweat from her bosom.

Our lips met and pressed hard together. The stronger I pumped, the deeper my tongue slid down her juicy throat. I was about to come and knew enough to pull out and let the gooey gobs land where they might.

When I pulled my mouth away from hers, my phony wise-man's mustache had come unglued from the moisture and now clung upside down above her lips. I arched my back, squeezed my ass, grabbed my dick and stroked the muscle until my cum flew and splashed against her big, red nipples. She pressed her tits together, and I baptized them like a Catholic baby.

When I'd blown my choad load I crawled up her torso, squeezing my balls to wring out one final drop for her to suck, and dribbled the last of my spizzo onto my black mustache, which sullied her angel's face.

The actual performance, two weeks later, was nothing compared to the gift this wise man brought to one lonely mother of God. Of course, Jesus never forgave me.

DUMP FUCK

Pussy hides in the strangest places. Forget bars or discos, guys; the next time you want a little girl's goober, hang out by the garbage.

I like smoking cigarettes, but I have to hide my habit from my folks. That's why I walk to the alley by my house to puff. Last week I was sitting behind a dumpster sucking on my stick when I heard the *clickety-click* of a lady's high heels. I stuck my face to the concrete and peeked underneath the dumpster at the approaching pair of shoes. Black, open-toed high heels revealed dirty, white feet. I dig dirt; the filthier the bitch, the more I itch.

I stood up and put my foot flat against the brick wall, striking a cool and oh-so-casual James Dean pose. She

passed by and caught my glare.

"Hey," I said, cool as fucking butter.

"Hey," she said, stopping. "Can I bum a smoke?" Her tight, well-worn jeans clung to her frame like blue baby oil. A bright-pink bikini top revealed sexy tan lines down the front of each tit.

I flung open my Marlboro flip-top and passed the lady a smoke. She stuck the brown filter between a pair of lips redder than most apples and just as crisp. I struck a match and the tip exploded with hot life.

"Going to the shore?" I asked, mesmerized by her nipples' outline.

"Naw," she said, exhaling exhaust. "I'm looking for work."

"What do you do?" I asked, my heart thumping like a goddamn Indy race car.

"What do ya need?" she smiled, and pulled her sunglasses down the bridge of her nose. Her dark-brown eyes shot a surge of blood to my bone, expanding my jeans accordingly.

She stepped closer and ran her fingernails underneath her bikini bra, making the white tit-flesh quiver. "I need some quick cash," she whispered. "Can you help me?"

I dug my hand into my pocket and found a small wad of bills. "I only got 12 bucks," I stammered, "but I could loan you some."

Her palm reached out and took the entire stash from my hand. Her other hand brushed lightly against the front of my pants. She was seducing me. Her fingernails unzipped my fly and searched for my pecker. I fucking couldn't believe this was happening.

"Wait," I said. "What if we're caught?"

A stupid question, I know, but when she nodded to the dumpster, I realized I had backed into a bitchin' option.

We hopped into the oversized trash bin, which was half-full of crushed boxes, soiled wrappers and spoiled food. Of all the dumpsters in all the world she had to walk into mine, right behind a fucking Burger King. I tugged off my jeans, and she threw her face on my schlong like a heroic Marine diving onto a grenade.

Her fingernails tickled my balls as her warm mouth caressed my cock. I yanked off her bikini top and almost blew a load of sperm down her throat just by touching those tropical titties. They were larger than a baby's head and tanned everywhere except for the white strip of skin down the middle. Her nipples, large, red half-dollars, glistened with coconut suntan oil.

A HUSTLER FAIRYTAIL

Once upon a time there lived a lonely proctologist named Colin. A warm man in his prime, Colin had spent so many days unclogging cramped sphincters that he had become an asshole himself. His bones, like his patients' bungs, had become crinkled and deformed. Youth can be fleeting, much like an enema, and dealing with shit had nearly wrecked him.

Then, one day, during a routine colon cleansing...

Colin removed the nozzle, poked inside the patient's pooper and accidentally unlocked the magic of...

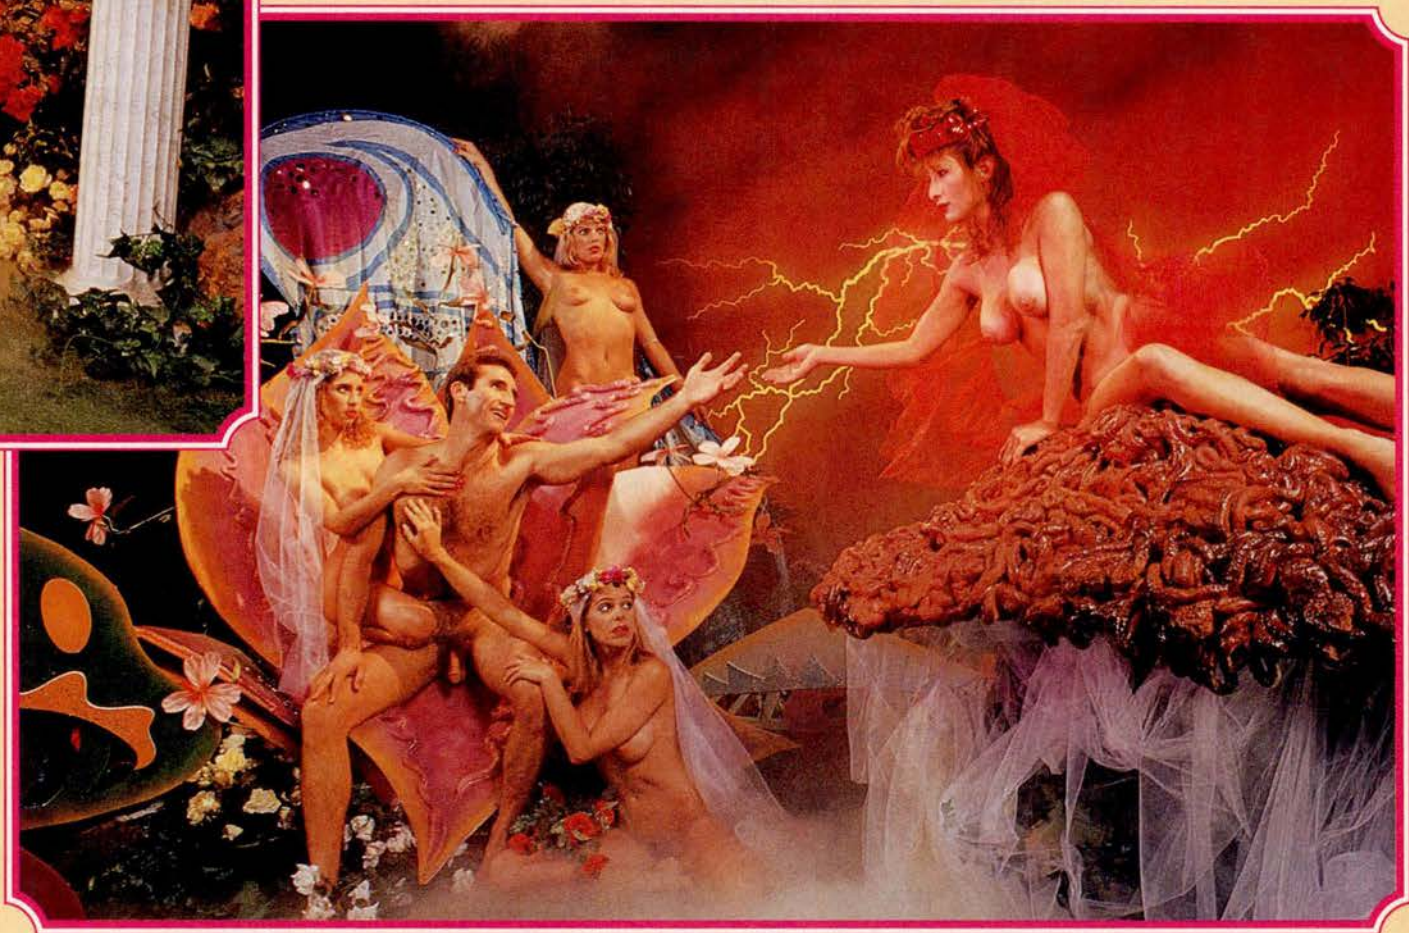

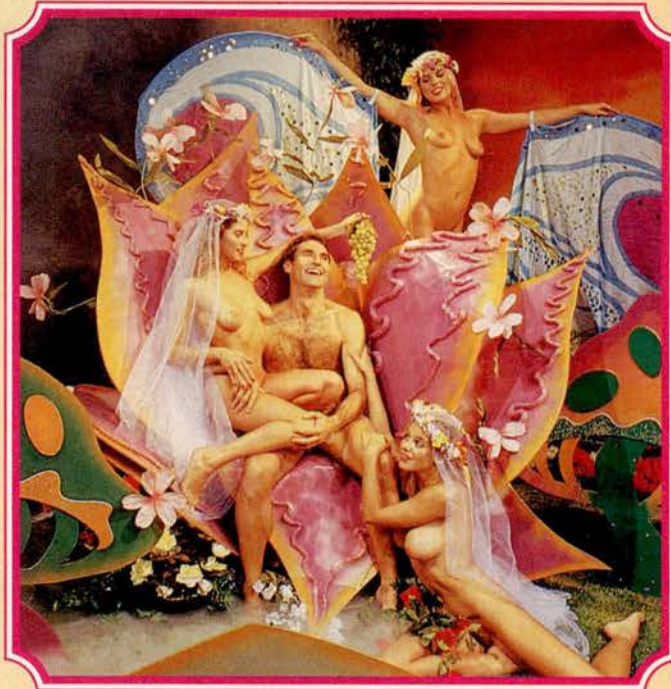

SECRET COLON

A sparkling lavage flushed away the foul stench of decay. Flowers bloomed, and females sprouted from the gassy vapors. Inside the sanctity of the asshole, Colin was suddenly youthful once again.

The secret colon was warm and bubbly, and so were its nymphs, fulfilling young Colin's every desire. "Happy entrails...to you," sang Colin, while feasting on hind-grown dingleberries.

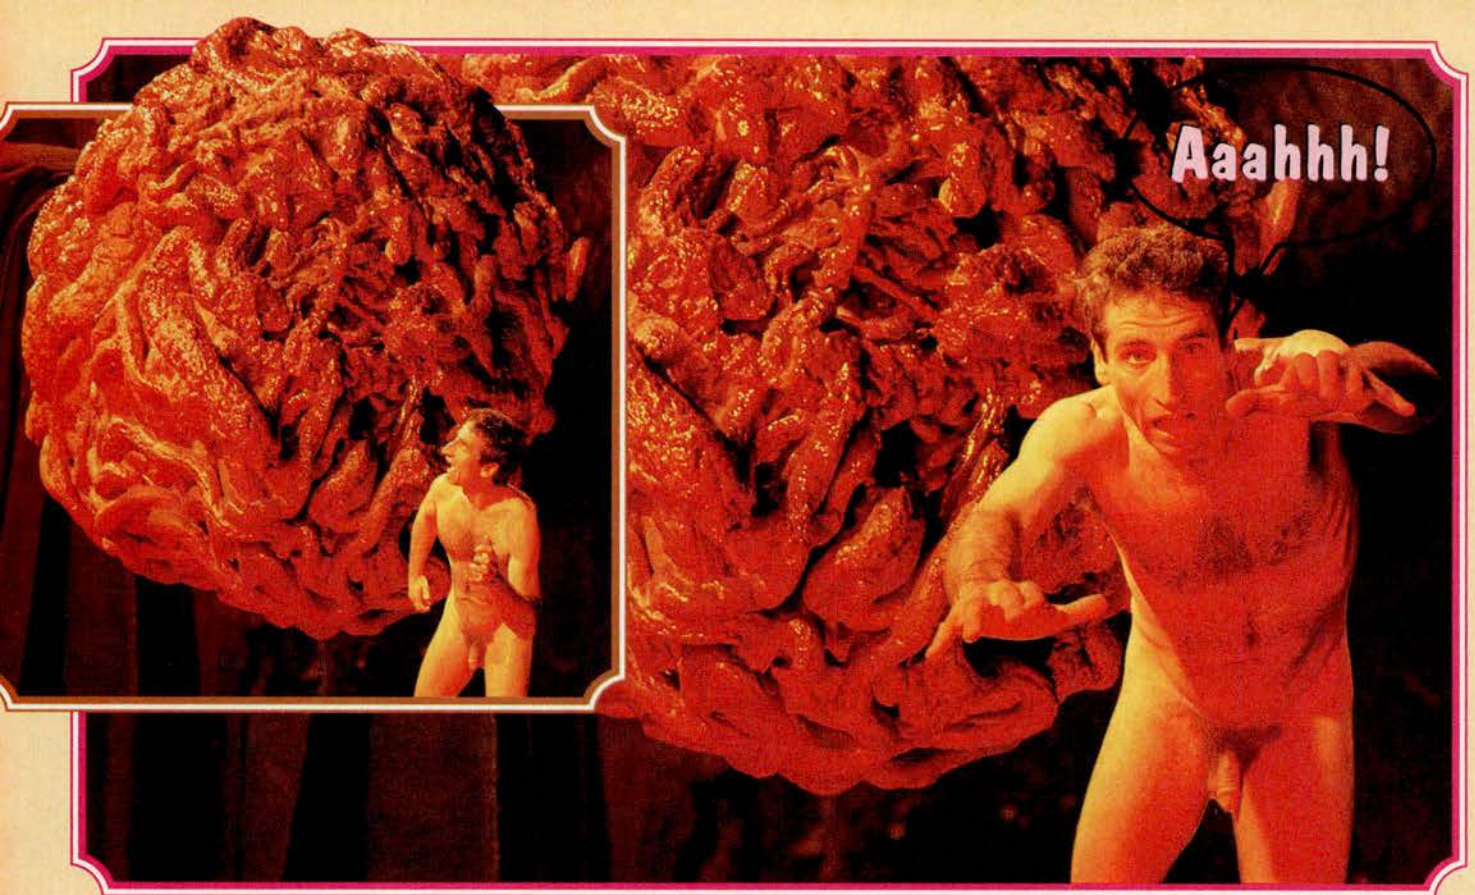

As in life, however, this asshole contained a bigger asshole—the Hemorrhoidal Princess of Bloody Flux. Her mission: to flush men with madness. The other nymphs knew this bitch would lead Colin astray.

Deeper inside the secret colon, the sky turned dark, the smell grew rancid. Yet Colin did not heed the Guardian Anal's warning. He entered the blackest bowels of the colon.

Colin found himself inside the Poop Pit of Ulceritus, located just below the Bile Belt. If only he had been back in his office, Colin could have cured this problem. Now, however, he had wandered in too deep and stayed too long. The battle had begun. The stomach was engorged with human waste and ready to explode!

Colin broke like the wind! Kernels of crap and shards of shit crumbled all around, threatening to crush Colin into fleshy feces. Seeing the light, he ran! He strained! He leapt, and...

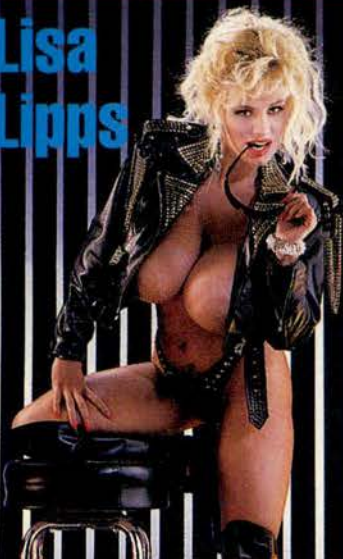

Colin had peeked too long. Timing is key to knowing when to leave an asshole behind. Still, Colin is not an ignoramus, for he has shed the weight of mortality. The asshole is more than just an exit; for some, it is the fountain of youth. **THE END**

(continued from page 37)

I grabbed both of those big flesh patties and awkwardly kissed her face. I pushed her backward until her head pressed into a package of soggy buns. Flies scattered from the scene as she squirmed out of those tight jeans and pulled her frilly panties to one side.

Her fat pussy lips pursed in the smelly air. She ran two fingers through the furrows in her fleshy folds while I brushed the underside of my cock against her dark pubes.

Her cunt was dry at first, but the more I pressed my knobby head into the top part of her pussy, the more the hole dampened. I sank my dick an inch inside the gash and quickly pulled back out.

"Come on, boy," she said, running a hand through her long, brown hair. "Get in there and do it already."

Suddenly I felt pressured, and I started to resent her. The weird thing was, the more I looked at her like the trash she was sitting on, the harder my dick got.

I slammed my lizard inside her cave, dug my fingers into her meaty thighs and pumped like the goddamn wind.

My knees were covered with ketchup and mayonnaise as my dick slid in and out, in and out of that tight, little pussy. I wanted badly to see her butt shaking while I fucked her; so I flipped her over on all fours.

Since I couldn't get a strong footing in the garbage, I had trouble finding the pussy. She reached underneath and tried to guide me in, but my dick kept flopping out. I finally closed my eyes, spread her big ass cheeks with both hands and lunged blindly forward with my dick. My cock crammed quickly inside, although her pussy felt strange for some reason.

"That's my asshole, fuckhead!" she informed me, the side of her face covered with sticky soda and chocolate-shake shit.

"So?" I moaned, trying to pump the shit out of her dry pooper.

"So you only gave me 12 fucking dollars," she spat. "Now get the fuck out of there and finish up your fucking business."

I tried to pull out, but the asshole had a lock on my cock. As hard as I pulled, my dick wouldn't budge.

She tried to yank away; I felt her shit muscles squeeze my dick like iron pliers, but her squirming only sucked me further in.

"I'm stuck!" I yelled.

"Well, make yourself come and slide out already!" she yelled.

I rocked my hips, and she bucked until I felt the first flow of warmth slide down her tiny poop chute. My dick throbbed with each new release, stretching her bung to its widest diameter.

The sensation was so fucking chilling I hardly noticed the dumpster beginning to move.

I opened my eyes, however, and saw a garbage truck hooking its prongs underneath our makeshift bed. I fell backward, and she dropped deeper into the grungy mush.

I grabbed my dick at the base, holding the remainder of my sperm flow in my nuts. When she turned back around, her cheeks were decorated with tomato

slices and brown, wilted lettuce. I let loose Old Glory, blowing blue-cheese dressing across her tanned neck and over the various rotting vegetables covering her dirty face.

She flicked away the jizzlobbers, grabbed her clothes and hopped out the far side of the bin. The dumpster started to rise before I'd found my shoes, but I hopped out of the bin and ran buck naked down the alley back to Mom. Best 12 bucks I've ever spent.

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

FUN ON THE FLY:

Defending the *Fast Fuck*

by Dorna Potter

Thirty-year-old Jill writhes under the leisurely lovemaking ministrations of her longtime lover Barry. He conscientiously runs his palms endlessly over the sloping hills of her butt. His fingers play on the tender flesh between her thigh and torso. He rubs, caresses, strokes.

His purple cock, however, never comes within striking distance of her sopping muff. Fearful of hurting his feelings, she moans with forced appreciation as his tongue traces her listless nipples for the umpteenth time.

"Are you ready, baby?" he asks, finally glancing up from his devoted tit-scrubbing.

"Yes," she whispers thankfully.

"Are you sure?"

"Positive."

"Certain?"

She nearly shouts. "Yes! Yes! Fuck me now!"

When Barry hesitates, moving his hand to further massage her swollen, impatient cunt, Jill yanks his hard cock inside it herself and begins to pump for him. Ready? she thinks, aggravated nearly enough not to notice the relief pulsing from her mercifully cock-stimulated clitoris. *I was ready an hour ago!*

Ingrained in most every man's sexual imagination is the unshakable notion that women are slower to excite sexually than males and must be painstakingly manipulated to reach an agreeable state of arousal. The exchange of quiet talk, wet kissing, tender stroking and caressing, nibbling, sucking, sighing and hard breathing before the main event appears mandatory. Less known is the simple fact that females occasionally yearn, like any male, to get caught up in the no-foreplay frenzy of a really fast, no-frills fuck. Scores of girls admit they'd sometimes love to be fucked, sucked off or rear-ended on the spur of the hormones, without tit-toying preliminaries.

Obviously, women dearly love a caring introduction to the sexual act more times than not. But just as an unplanned party offers a welcome break from routine, a spontaneous, unpremeditated fuck can be more fun and fulfilling than a well-prepared piece for gals and guys.

When 27-year-old Meg from Monterey, California, sees a certain hunk who causes her clit to twitch, she fantasizes a fuck wherein not even a friendly word or exchange of names occurs before a swift fusion.

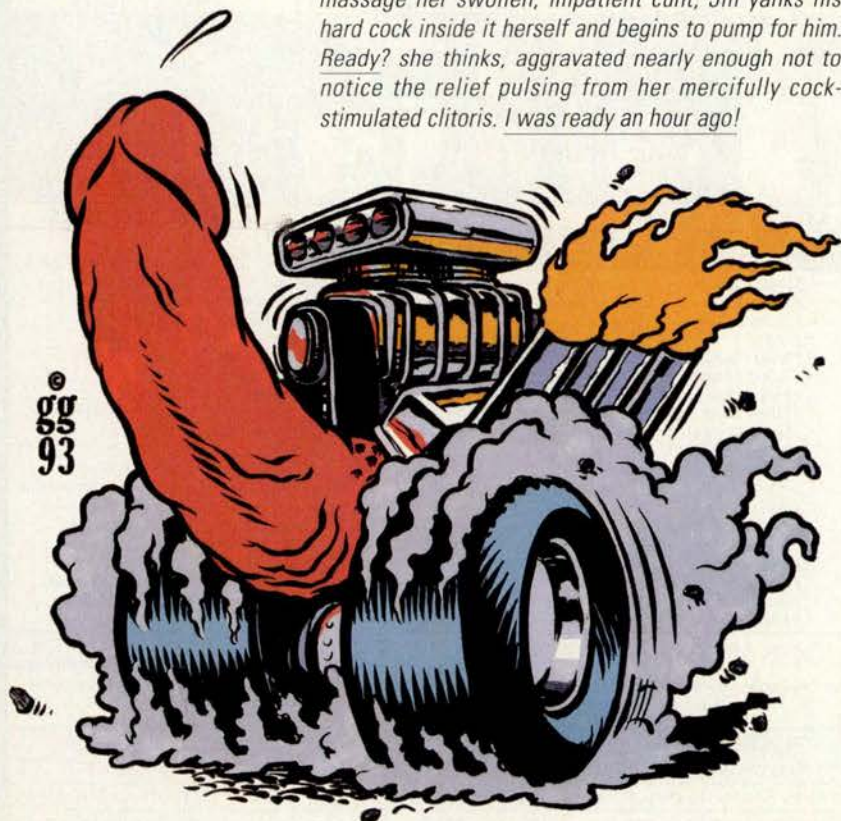

"We merely connect at cock and cunt with the same unceremonious urgency as mating minks and enjoy each other without any comments more coherent than grunts and groans," Meg enthuses. "Talk would be cheap and interruptive. When you're impatiently in the mood for fast food, a romantic candle-lit dinner can definitely be a bummer."

Meg acts on her fantasies for swift sex with her steady boyfriend, Roy. "One time Roy and I were staying the weekend at my parents' house," she recalls. "My mom and dad were downstairs, about to call us for dinner. Roy had slipped into a new linen shirt I'd just bought him. He looked so hot, I had to have him. I fucked him on the stairs. It took us both by surprise and led to one of the hardest, best comes I can remember, in less than three minutes."

An occasional wham-bam-thank-you-ma'am fuck can be every bit as beautiful for the ma'am as the man. Meg defends the fast fuck for the fine expedient that it is—the quick coming together of a cock and cunt in order to climax quickly.

"I had an instant orgasm," she attests. "It was like magic."

"A formal fuck with all its long-lusting litany can be a tremendous and memorable turn-on," avows Beth, a 25-year-old counter assistant from Fort Worth, Texas. "But it's just as fun to forsake formality for hot-blooded, momentary urges."

No doubt humankind's stone-age ancestors were forced by circumstances to take all their fucks on the fly. Having found out how much fun a fast fuck was, mankind opted to expand that pleasure by performing certain functions that would turn simple screwing into a federal case. Many guys have been brainwashed into believing that females feel cheated by fast fucks.

"I used to think that, without exception, girls felt used or exploited when a guy promptly threw one into them without foreplay," says Meg's boyfriend Roy. "I firmly believed that women always need to be slowly and artfully prepared to be penetrated—that they always needed to be kissed, caressed, stroked, whispered to, sucked or fingered before they were finally ready to be bucked."

Faced with the undeniable evidence that, more times than not, women prefer a guy to take as much time as possible pulling his train into the station, it's no wonder that guys can feel disinclined at times to slug into fucking without foreplay.

"It never crossed my mind that Meg would get into a slam-bam-thank-you-ma'am," says Roy. "If she hadn't taken the bull by the horns, I would never have taken the risk."

The lie that all females dislike fast fucks all of the time may have cancelled out a lot of fine fucking for all, but here's where women take an active role. Lying back in the traditional passive mode is clear indication that foreplay is expected and desired. A woman who is eager to race to the finish line has got to make her motives clear.

"My boyfriend Bob and I exchange looks when we know we're going to fuck," says 22-year-old Angela from Birmingham, Alabama. "When I feel the super-light touch of his hands on my breasts, I get the feeling he's heading into a long foreplay session. Sometimes I'm not in the mood for that. I might be too turned-on already. So I just sort of grab him and grind my pussy against his crotch. He gets the idea right away. He's into it. We've both come twice in less time than a single fuck with foreplay. And usually I don't come at all without a vibrator."

"With my busy schedule, I consider foreplay an unnecessary nuisance," says 35-year-old

computer consultant Tammy. "After a long, hard day, the protracted formalities of a marathon fuck seem senseless and uninviting. I feel better served by a quick lay."

An element that brings out the best in fast fucks is its availability in strange places. A "nooner" in a phone booth or a kinky connection on the kitchen table will likely remain longer in a couple's memory than any slow-motion connection between the sheets.

"My husband Ted and I still talk about the time we snuck a fuck in a restaurant," reveals Tammy. "I pulled him into the ladies' can and fucked him in two minutes flat. We were dining with friends, and we'd shared a bottle of wine. We were feeling frisky. My pussy was still quivering with aftershocks when we returned to the table. I'm sure Ted still had a hard-on. Talking about that time is enough to make us hot enough to fuck anytime, anywhere. The incident I'm referring to occurred two years ago."

"The restaurant incident was the very first time it ever occurred to me that sexual responsiveness was essentially the same for both men and women," says Tammy's husband Ted. "The shock of realizing how much Tammy and I were alike blew my mind. We'd been married three years. I could kick myself for having let out the steam of so many potentially hot fast fucks with a bunch

of needless foreplay. Don't get me wrong. I can get into a slow grind as much as any man. But what man doesn't want to grab a quick piece of tail now and then?"

The adrenaline rush of sudden screws can be addictive.

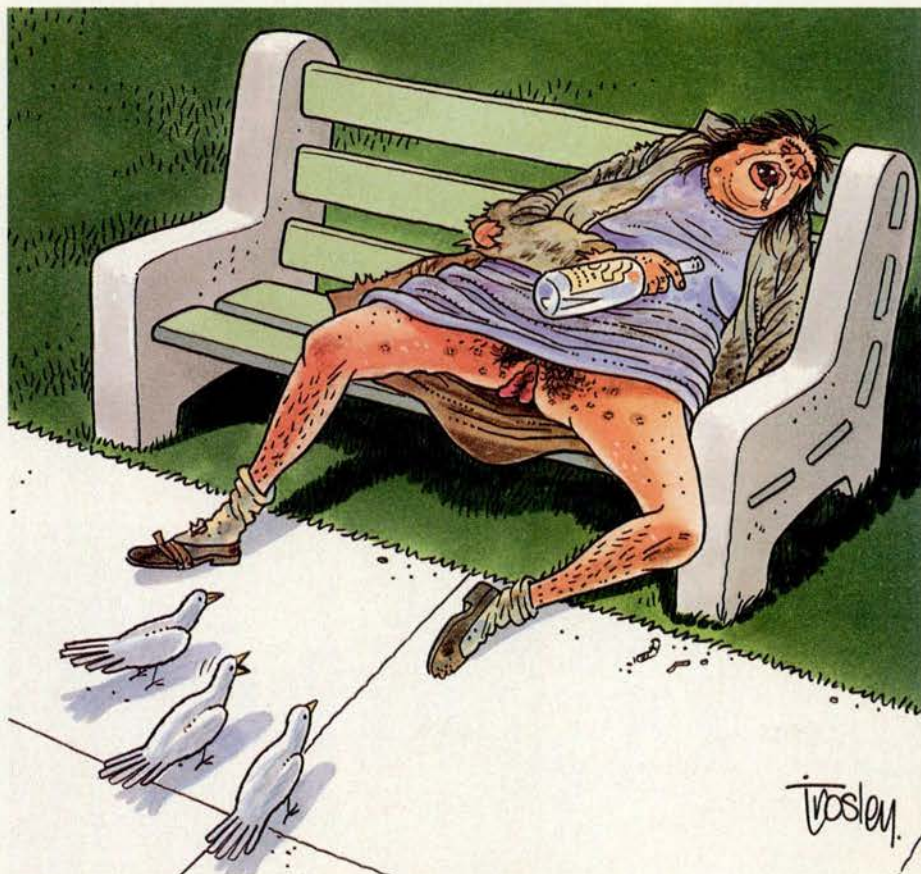

"For a month or two after discovering the thrill of the fast fuck, that's all I wanted," laughs Meg. "I would literally jump Roy's bones without so much as a hint of warning. I'm back into slow fucking now, but I'm open to anything. It's Roy's call."

"In my opinion," states Tammy, "the fast fuck's reputation as an inferior fuck comes partially from females who feel that the long, multi-positioned, acrobatic, loud, moaning-and-groaning coupling depicted in movies and novels should be their own everyday bill-of-fare. No real cock or cunt could survive the wear and tear of the all-night-long fucking in romance novels."

If those fantasizing females could find a hump hero who would furnish them frequently with the fucking depicted in movies and books, they'd soon find themselves sore and sorry.

Intrigued by the promise of instant gratification through the quick unzipping of a fly for a brief fling of fellatio, or a pulling aside of panties for an intense tonguing of twat?

Grab your lover, hurry up and enjoy! 🍆

CAGED AND DISGRACED

WOMEN UNDER THE PENAL SYSTEM
REPORT BY ROBERT WILLIAMSON

WORSE CRIMES THAN WHAT THEY'VE COMMITTED FACE WOMEN
IN AMERICA'S OVERCROWDED PRISON SLUMS.

ILLUSTRATION BY ROBERT JEW

Caged and Disgraced

Sexual assault on prisoners at the California Institution for Women, including rape and forced oral copulation, saw the demotion and transfer of several top administrators.

The number of women in jails and prisons across the United States has tripled since 1980—growing from some 13,000 in that year to more than 40,000 in 1989, according to the U.S. Bureau of Justice Statistics. Most women are incarcerated for nonviolent economic crimes, such as drug offenses or theft, fraud or forgery. Many are single mothers—poor, young and under-educated; a great number of them are minorities.

As the nation's population of female convicts escalates, so does the number of sexual atrocities committed against them by those employed to guard and protect them, male and female alike.

"It's an overwhelming situation, and very frightening," says Jana Minor, a prison minister in Illinois.

Severe overcrowding has resulted in charges that women's prisons have not improved their ability to handle and meet the needs of women prisoners.

Jean Gump, who was sentenced to six years at the Federal Reformatory for Women in Alderson, West Virginia, describes the plight of the incarcerated

woman: "Each day is filled with infractions against decency, and we comfort one another as the crimes come down. They [prison officials] are in the business of destroying human beings...."

Gump, a mother of 12, made the statement while caged in solitary confinement—where she had been sent for refusing to take a urine test in front of guards. She had agreed to submit to the test in a doctor's office.

Gump's objection was not to the test itself, but to the manner in which it is administered. Women in prison are required to take urine tests with a leg up, and the guards are most often both male and female.

"Women are often brutalized by the Bureau of Prisons [BOP]. Especially women who prize their virtue," maintains Gump.

There are currently more than 48,000 women in state and federal prisons, and when women in city and county jails are included, the number climbs to nearly 90,000, according to federal prison statistics. After a decade in which

women have been sent to penitentiaries at rates previously unknown in the United States, increasing attention is being focused belatedly on the long-term consequences of keeping this many women behind bars.

Imprisoning tens of thousands of women has left an estimated 167,000 children without mothers. Corrections officials have been caught unprepared for the special medical and rehabilitative requirements. In some states, women prisoners have had to rely on makeshift sanitary napkins when prison administrators neglected to order tampons and pads.

In November 1992, a sex-abuse lawsuit brought by women prisoners in Georgia State set in motion a statewide investigation resulting in the indictment of 14 guards on charges that included rape, sodomy, oral copulation and sexual assault.

Sexual assault on prisoners at the California Institution for Women, including rape and forced oral copulation, saw the demotion and transfer of several top administrators and male staff members, including the prison's female warden—who was sent to a men's prison in central California. At the California Institution for Women, the rape (by a male guard) of at least one female prisoner resulted in pregnancy.

From New York to California, incarcerated women are subjected to unspeakable sexual horrors by their keepers. Ex-prisoners report that it is not uncommon for women confined to solitary confinement to be forced by male and female guards to perform acts of oral copulation before being issued their daily food ration.

"Because so much attention has been paid to the men [in American prisons], the women, until recently, have been overlooked," explains Barbara Bloom, a criminal-justice consultant in San Francisco.

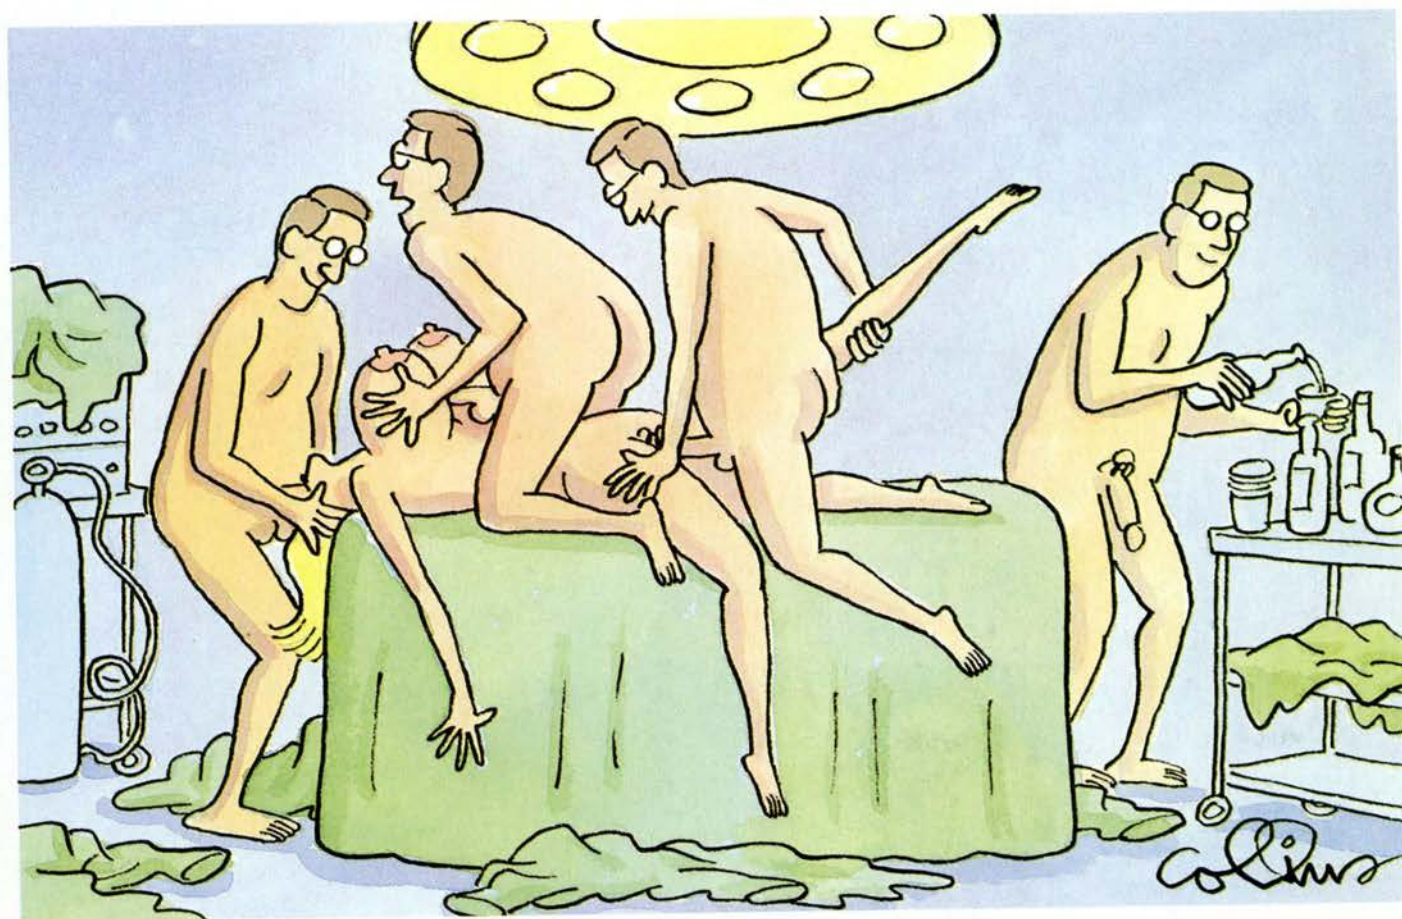

Often, women caught in the web of the judicial system are brutalized long before they reach prison—if, indeed, they reach prison at all. In Memphis, Tennessee, Chancery Judge David Lanier was convicted of twice forcing a woman to perform oral sex in his chambers. The woman had a child-custody case pending before him.

Generally speaking, however, prison is where the punishment of America's women becomes cruel and unusual.

"If a woman in America is found guilty of a crime, does the church view her as government property, as does the BOP, or does the church think she should refuse to expose her genitals to

"I was chained to a wall," says former inmate Carlotta DuPree, "and sodomized."

The 22-year-old DuPree was serving a 14-month sentence for passing bad checks.

male staff?" asks Jean Gump.

According to Gary Nelson, a former guard at the Women's Community Correctional Center on Oahu, Hawaii's largest women's prison, female prisoners are fair game the very moment they step through prison walls, and newly arriving inmates are preyed upon by other inmates and staff alike.

Nelson alleges that one guard, still at the prison, pimped the women inmates to outsiders. "He took the female prisoners out in a van, then returned them in time for curfew," says Nelson.

"It is not unusual to be given a gynecological examination during your first week of incarceration," says Beth, a former inmate of a women's prison, who asks to remain anonymous. "What is unusual, and utterly degrading, is that the exam is most often supervised by a male guard. It's one of the many secret benefits for men working in women's prisons—a chance to stare at all the pussy you care to see."

"Ideal employment for a male voyeur," agrees Gump, "would be a full-time job as a guard in a woman's prison."

On any given day inside the walls of a women's prison, male guards are

required to supervise and observe women as they shit, shower, pee and change sanitary napkins—to say nothing of being required to watch them dress and undress.

Voyeurism, however, is one of many benefits. There's room for the guy who likes to "cop a feel" as well. Jean Gump explains: "When television reporter Jim Swanson of Channel 5 in San Francisco was here at Alderson filming a documentary, we happened upon an incident where an inmate was coming in from work detail outside the gate. The bricklayer or electrician she works for was patting her down for contraband.

"Being able to feel the women inmates is one of the 'perks' for a straight man working for the BOP."

According to many ex-prisoners, male guards assigned to women's prisons give an entirely new meaning to *pat search*.

Says Beth: "The guards are supposed to pat your clothed body to make sure you don't have any contraband. Most of them use the pat search as an excuse to fondle your breasts or your ass, or to grope between your legs. It is especially embarrassing," she continues, "when you're wearing a prison-made dress."

According to Beth and others, male

guards run their hands between a prisoner's spread legs with such pressure that the prisoner's panties often are pushed into her vagina. "They're not interested in finding contraband," says former inmate Sharon Willey. "They're interested in finding out how far up your pussy they can push your panties."

In the free world, men who grab a woman's buttocks, brush against a woman's breasts or otherwise sexually harass a female are subject to being slapped with a lawsuit—civil and criminal. Inside a woman's prison, however, the unwarranted groping of female prisoners by male guards is commonplace—if not condoned. Still, some women prisoners consider themselves lucky if they can survive prison with merely being groped.

"On several occasions," says Willey, "my pussy was fondled by different guards—male and female. My nipples were pinched. My ass was groped. But it could have been far worse."

"I was chained to a wall," says former inmate Carlotta DuPree, "and sodomized." The 22-year-old DuPree was serving a 14-month sentence for passing bad checks.

As punishment for reporting late for her prison work assignment, she was ordered to solitary confinement for ten days. "I was blindfolded, handcuffed and escorted out of the general population," she says. Once inside the barren cell, isolated from her fellow inmates, DuPree was chained to a wall.

"Not long thereafter," she relates, "I heard someone enter. I thought the blindfold would be removed. I was wrong."

DuPree claims that she screamed as unseen hands tugged down her pants, but that her scream was to no avail. She heard a snicker coming from behind her.

"To this day, I have no idea who it was," she says. "All I know is that I was chained to a wall, my pants were jerked down, and someone sodomized me."

DuPree is convinced that her attacker was a guard. "Guards are the only ones who have access to the cell," she states.

Prison officials refused to lend any credence to DuPree's allegations and would not allow her to be examined by independent medical experts.

Failure of prison administrators to lend credence to the sex-abuse charges brought by female inmates encourages guards to misbehave.

"The guards know they can do virtually whatever they want to do to us," says DuPree, "and get away with it."

harassment by guards are subject to retaliation by their attackers. Nineteen-year-old Josie informed her prison-dorm supervisor that a male guard shoved his hand down her blouse and fondled her breasts during a clothed-body pat search. Three days later, while mopping floors in an isolated area of the prison, Josie was attacked by four male guards. She was dragged into a vacant storage room, beaten and gang-raped. An investigation initiated by prison administrators determined that Josie was found unconscious by guards patrolling the area; that Josie had been attacked by other, unidentified inmates; that Josie had been sexually assaulted, with a foreign object, by other inmates; and concluded that Josie was fabricating a story about being raped and beaten by guards.

There is no record of Josie reporting sexual harassment, nor was she examined by outside medical experts. The official position taken by prison administrators? Inmates lie.

Ginger Collins had been incarcerated on burglary charges for less than a month when she was forced to perform an act of oral copulation on a male guard.

"I had a choice," says Collins. "If I refused to give him some head, I would be sent to the hole. I'd already heard all of the horror stories about what happens to inmates in the hole; so I did what I had to do to stay in the general population. I sucked his dick."

Collins, who claims to be only one of countless female inmates forced to perform sex acts for male guards, adds that more than a few female guards take an active role in pressuring inmates to submit to the whims and wants of their male counterparts. "The female guard," reveals Collins, "is often more brutal than the male."

Collins alleges that she witnessed several incidents involving female guards preying on inmates, using male guards as enforcers. She recounts one incident in particular. "A black inmate refused to call a white female guard 'ma'am.' The inmate was escorted to the back of the prison kitchen, and I managed to secretly trail them."

Collins claims that the female guard summoned a male guard for assistance, and that she then subjected the black inmate to a pat search.

"I was about to leave," says Collins, "when I noticed the female guard nod to

her male counterpart. What happened then was beyond belief."

According to Collins, the male guard jerked up the back of the inmate's prison dress, pulled down her panties and forced the tip of his baton up the inmate's rectum.

"He left it there," says Collins, "while the female guard berated the inmate about not respecting staff."

Pregnant women make up an estimated ten percent of the female prison population of local and state facilities.

Because most prisons have inadequate staff and equipment, the women often receive poor obstetrical care and are deprived of proper diet and exercise. Women who have AIDS and women who need counseling for physical abuse or substance abuse are also often deprived of services.

At the time of her arrest for receiving embezzled property, Anne Pollard had been suffering for two years from a rare intestinal disorder. She was in pain and was taking prescribed medication when the FBI picked her up. Nevertheless, she was denied bail and caged in a roach-infested cell. The jail menu was as bad for her as insulin is for a nondiabetic.

"But of all the tortures inflicted on me," says Anne, "the worst was to deny me medication."

Her prescription medication was withheld for weeks, then rationed sporadically. It was often the wrong kind. At one point during her initial confinement, she was chained to a hospital bed—even though she barely had enough strength to move.

When finally released on bail, Anne Pollard had lost more than 50 pounds.

Following her conviction, Anne Pollard was transferred to a Lexington, Kentucky, prison, where, according to her father, Bernard Henderson, the doctors ignored her medical history.

Since her incarceration, she has endured a variety of medical disorders—the pre-existing intestinal malfunction that causes masses of undigested food to block her stomach, plus a hernia, ulcers, large ovarian cyst, anemia, a urinary-tract infection, an eye infection and migraine headaches. These conditions have caused Anne Pollard to suffer excruciating pain, nausea, vomiting, rectal bleeding, diarrhea, weakness and weight loss.

Ginger Collins empathizes with Anne Pollard, but says it could be worse.

"In some prisons," says Collins, "being given her medication would have been dependent upon how well she gave head. In others, being chained to a bed is an open invitation to being raped or sodomized—or both."

"That won't work anymore, Carla. I've found someone else."

FIRE: ANTIGUN FANATICS BLAST THE SECOND AMENDMENT

Report by James W. Harris

Owners of firearms are up in arms against challenges to the Second Amendment to the Constitution of the United States. Can an unarmed America survive as the land of the free?

Illustration by Geoff Grahm

Antigun Fanatics

Wisconsin's 48-hour waiting period prevented Elmasri from obtaining a firearm immediately. Twenty-four hours later, Elmasri and her two children were slain at her ex-husband's hand.

Nineteen-year-old Justin Dey is alone in his Atlanta home on the night of May 11, 1993, when there's a loud pounding on the front door.

Justin looks out the window and sees two strangers. The house has been broken into three times in recent months. Scared, Justin dials 911. As he's talking to the police, the men begin kicking against the back door. The wood splinters.

Justin grabs a handgun his father purchased after the last break-in. The men enter. Feeling his life is in jeopardy, Justin raises the gun and fires.

According to Florida State University criminology professor Gary Kleck, Americans use handguns approximately 645,000 times per year to defend themselves against criminal attack. That's once every 48 seconds.

To millions of Americans, gun ownership is a symbol of security, independence and freedom. In the past few decades, however, these views have been challenged.

Roughly 20,000 Americans per year are murdered by guns. Over 12,000

commit suicide with guns. Death by gunfire is the leading killer of black teenagers aged 15 to 19.

Such horrors have led increasing numbers of Americans to argue that gun ownership should be severely restricted—or outlawed altogether.

Much of the fight between pro- and antigun groups centers around the Second Amendment to the Constitution of the United States, which reads: "A well-regulated militia, being necessary to the security of a free state, the right of the people to keep and bear Arms, shall not be infringed."

George Mason, known as the Father of the Bill of Rights, stated: "What is the militia? It is the whole people, except for a few public officials." Samuel Adams, a leading figure in the American Revolution, said, "The Constitution shall never be construed to prevent the people of the United States who are peaceable citizens from keeping their own arms."

"No free man shall ever be debarred the use of arms," wrote Thomas Jefferson, who carried pocket pistols that are on display today at his home in

Monticello, Virginia. "Firearms stand next in importance to the Constitution itself," stated George Washington.

It is inconceivable that the founders of the Constitution, who had relied on private ownership of firearms to win their freedom and carried guns for self-defense and sport, would favor restricting the use of arms to government forces.

Joint Resolution 81—introduced in Congress last year by Representative Major Owens (Democrat; New York)—calls for a Constitutional amendment to abolish the Second Amendment. The Brady Bill (HR 1025), sponsored by Sarah Brady, president of a gun-control organization called Handgun Control Inc., would mandate a five-day waiting period on handgun purchases, during which police and mental-health records concerning the purchaser could be reviewed. The intent is to keep criminals and the mentally ill from buying guns, and to let hotheads and the suicidally depressed cool off before acquiring a lethal weapon.

Surveys indicate that the majority of Americans favors some form of waiting-period law. President Clinton has pledged support for the Brady Bill. But critics charge that the concept of waiting periods is inherently flawed.

The L.A. riots in April 1992 graphically illustrated one problem facing waiting-period legislation. "[During the riots, the L.A. police force] was totally outnumbered—overrun by forces beyond anyone's control," says LAPD officer R.T. Dorsey. Police officers bluntly informed citizens that the city's martial forces couldn't protect them from rioters. Their safety was in their own hands.

Residents rushed to gun stores to arm themselves in time to defend their businesses, homes and families. However, California requires a 15-day waiting period before firearms of any kind can be purchased. Store owners reported that people were astonished and horrified to learn that they couldn't immediately obtain weapons to protect themselves from harm.

The National Guard didn't stop the looting and burning for many hours. Business owners who were able to patrol their shops with firearms often saved them; those who couldn't saw their businesses wrecked and destroyed. Armed citizens were able to turn rioters away from their neighborhoods. According to columnist Joseph Farah in the *Los Angeles Times*: "Suddenly restrictive gun-control laws and 15-day waiting periods didn't seem like such a great idea anymore. Could it be that the Founding Fathers knew what they were

HUSTLER HUMOR

A worried husband told the marriage counselor, "I'm afraid I'm losing my wife's love."

The counselor asked, "Has she started to neglect you?"

The husband said, "No, she's as attentive as ever. She meets me at the door with a cold drink and a warm kiss. My shirts are always ironed. She cooks the foods I like, she keeps the house neat and clean, she makes the kids stay out of my hair, and she even lets me choose the TV programs we watch. Our sex life is still as good as ever, and she never objects to kinky stuff or says she has a headache."

"Then what *do* you think is wrong?" exclaimed the counselor.

His patient replied, "Well, maybe I'm just being overly sensitive. But at night, when she thinks I'm sleeping, she puts her lips up close to my ear and whispers, 'Die! Die! You son of a bitch!'"

The HUSTLER Dictionary defines *Mexican Superman* as: a guy who can steal the tires off of flying airplanes.

Finishing his prepared statement, the blustering politician threw his press conference open for questions.

"Is it true that you were born in a log cabin?" one sarcastic reporter asked.

"You're thinking of Abraham Lincoln," the politician answered. "I was born in a manger."

Question: How do you know when your wife is putting on too much weight?

Answer: She can only play seek.

After his wife died, the biker met with a funeral director. "What would you like to say in the obituary?" asked the director.

" 'Sandy died,' " said the biker.

"That's too short. You should have at least five words."

"All right," replied the biker. "How about, 'Sandy died. Cadillac for sale.'"

Question: Now that President Clinton is endorsing gays in the military, what show is CBS promoting this year?

Answer: *Major Dad's Longtime Companion*.

The couple had peeled off their clothing and jumped into the sack when the woman said, "Put a finger in."

Her partner did, and she started to squirm. "Put another finger in," she begged. She writhed even more. "Your hand. *Now*."

"My hand?"

"Put your hand in."

He did, and she went crazy.

"Put your other hand in," she panted.

"Are you sure?" he asked.

She nodded approval, then groaned with pleasure when he inserted his other hand.

"Now," she cried, "clap!"

"I can't."

She looked at him and said, "Tight, huh?"

Question: Why is it that California has the most lawyers and New Jersey has the most toxic-waste dumps?

Answer: New Jersey had first choice.

A famous Russian ballerina defected to the U.S., and there was considerable excitement on the night of her American premiere. Everything went along smoothly before a very receptive audience. Finally it was time for the grand finale. The entire troupe swirled about the ballerina, who performed a spectacular set of leaps and landed in a perfect split at center stage.

Needless to say, the crowd went wild. It was only after a standing ovation and five curtain calls that the curtain closed for the last time. Rushing onstage to the ballerina, who was still holding the perfect split, the director began to congratulate her on her superb performance.

"Performance, hell," hissed the dancer. "Rock me back and forth to break the seal."

Question: When should you suspect that your kid has a drug problem?

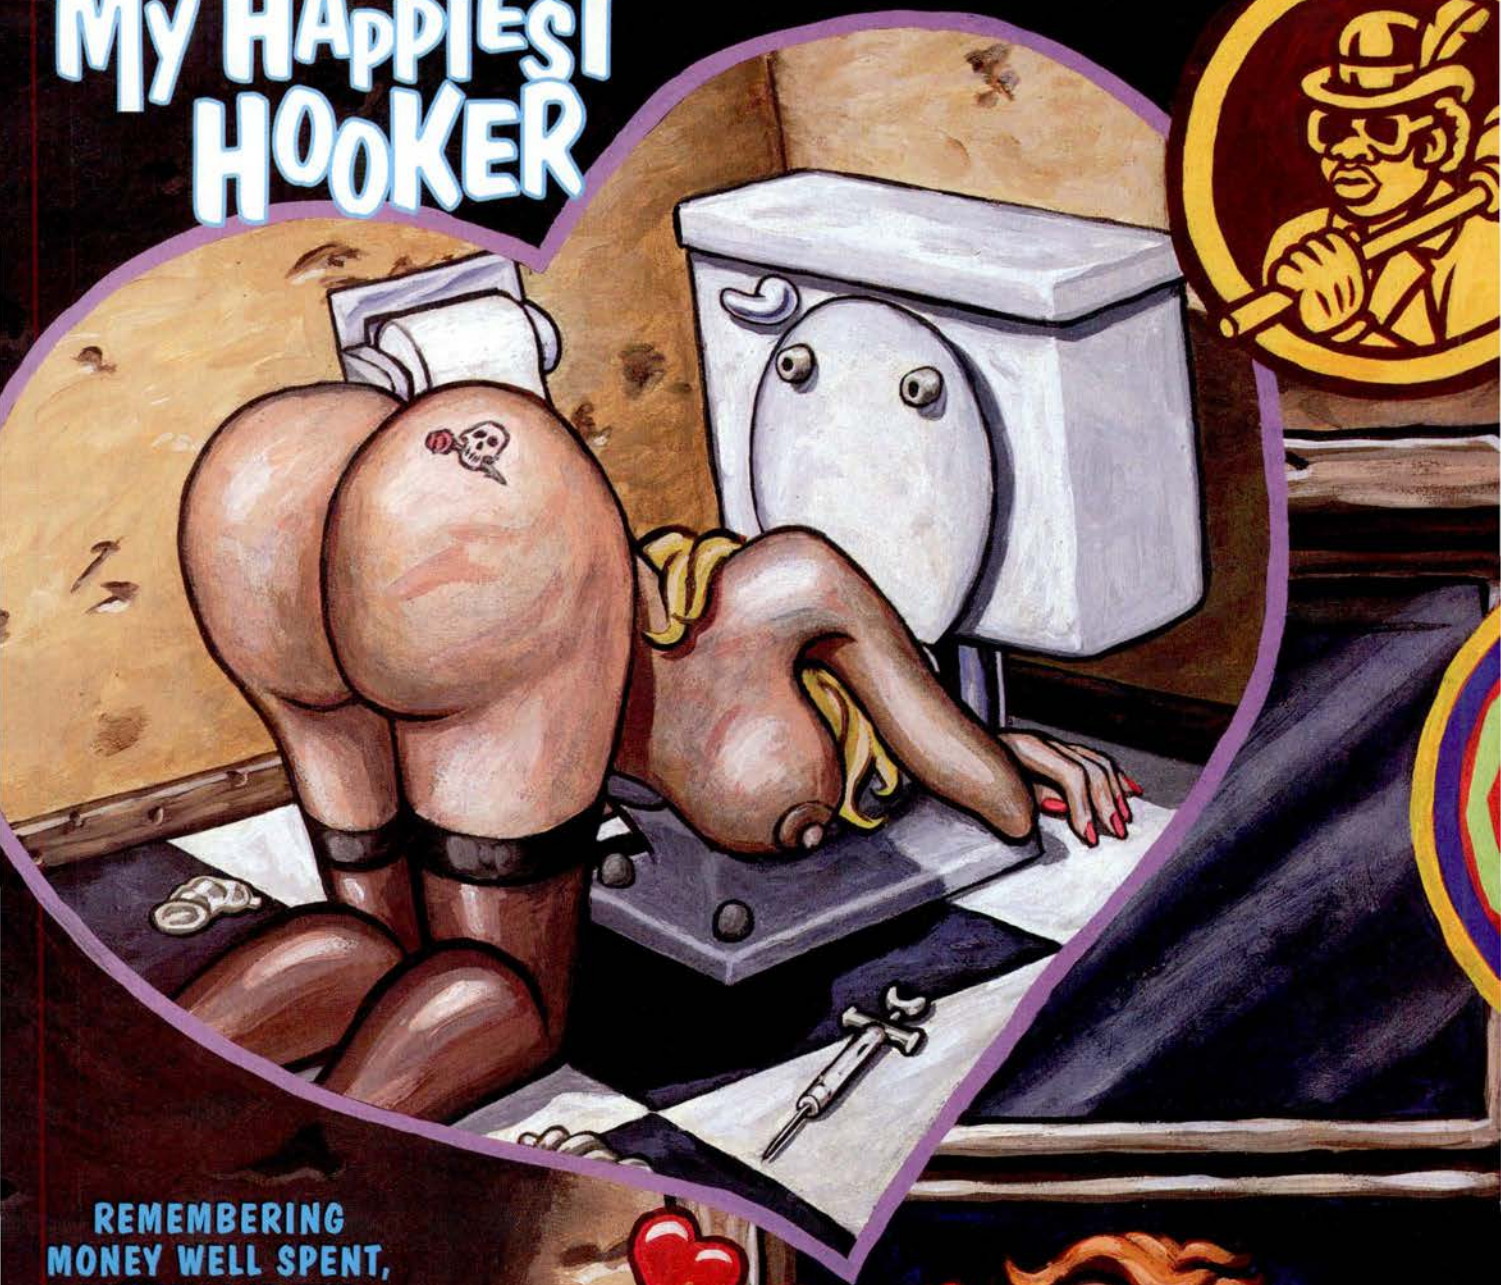

Answer: When his pet rock is from Bolivia.

A true artisan takes pride in his work, and so does a woman who spits semen for a living.

TIFFANY: Usually I don't like drunks. They smell bad; they can't get it up; they get mean. But sometimes, a lush is all that's around, and a girl's got to get her rent. This one night, it was raining, I was cold, my feet hurt, and this guy pulled up in a brand-new Lexus. He pulled right over the curb and drove onto the sidewalk, nearly knocked me over. "Trim ain't

needs to pay for it. This happened when I was a kid, about 16. My old man asked me if I was a virgin; so I lied and told him I was. I'd heard him tell his buddies that his old man had bought him his first fuck. I didn't want to break the tradition, and I didn't want to miss a free fuck. He got a girl too; took her into the cubicle next to mine. I could hear him wheezing and banging right through the partition. It was the closest I ever felt to my old man. "Don't tell your ma," he said. And I never did.

TIM C., LOAN EXPEDITER: My favorites are the Korean massage girls. I was overseas during the Korean conflict, and I got a taste for the way the locals did business. They really do a massage too. There's nothing like having the tension from every muscle in your body flow out in an orgasm.

Usually, I finish off with a handjob. It's cheaper that way, but also, they don't make you wear a rubber when they're just jacking you off.

These girls really wring it out, every drop. Asian fingers and a glob of body oil are a match for any pussy I've ever had.

BUDDY K., DEPARTMENT STORE MANAGER: My favorite was the last one I had—I didn't pay for her. It was at my bachelor party, about 16 months ago. She wasn't really a hooker, strictly speaking. She was a stripper, technically, but she gave me what she called a "Tahitian massage with release." That means she took my cock between her tits and worked it until I shot all up on her chest and under her chin. She was sweet-looking, **HUSTLER**-centerfold quality, and some of it splashed on her lips. The guys roared when I blew. The memory of that moment makes getting married seem worth it.

CARLETON S., MOTORCYCLE MECHANIC: I only use hookers because I get horny too much, but one saved my life. I've got this heart condition left over from when I used to shoot dope. I was fucking

this black chick in one of those motels that rents by the quarter hour. She was fine. I'd never have guessed she was a pro, except that I picked her up off the stroll and she demanded cash up front. But I wanted to make an impression on her. I guess I tried a little too hard, and my heart went out.

Now, she could have been busted or had to spend her whole working shift answering cops' questions, but she dialed 911. Then she jumped up on my chest and gave me CPR and mouth-to-mouth until the paramedics showed; at least this is what they told me on the way to the hospital, and I believe it, because I'm still alive today.

Of course, she also took my chains, my rings and everything of value out of my wallet, but if I see her again, I'll give her another 100 bucks.

LEONARD K., STOCK-MARKET ANALYST: I go for the sordid, gutter-crawling style of street-walker. The scummier, the better.

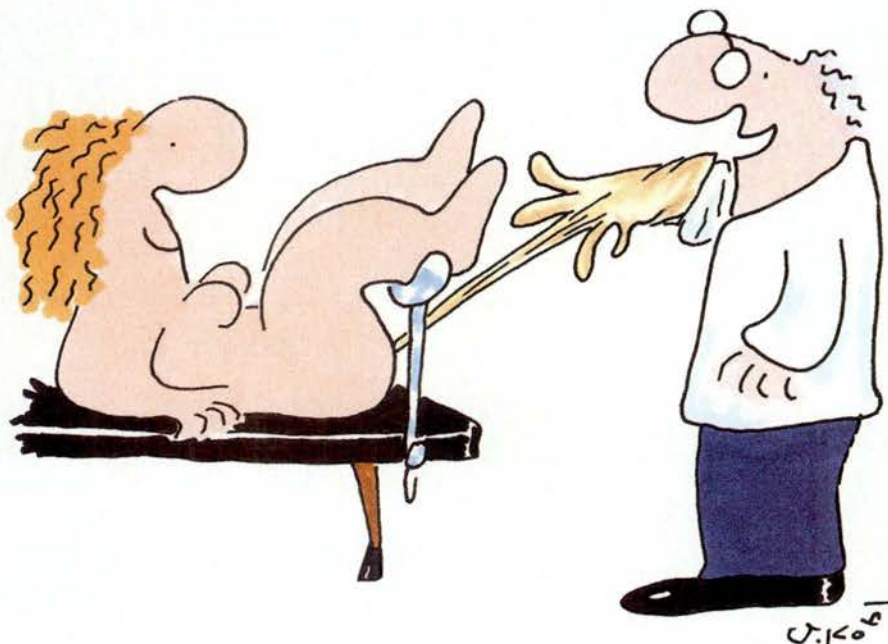

I soak up a lot of stress at the office, and the ways I've devised to vent it are unacceptable at home. My wife would never tolerate being called "bitch" or "whore" or "slut." The bitch whore sluts don't like being called names either, but that's why I pay them. I like that they don't like it.

This one time, the best time, I picked up a desperate-looking blonde—she was at least 5-10, and she weighed all of 70 pounds—and took her to a sleazy room. She went into the shitter to wash up, but I knew she was in there injecting narcotics. I have that effect on some of these girls.

When she didn't come out after about 15 minutes, I snapped the lock and went in. She'd managed to get the needle out of her arm, but she was slumped over with her head in the toilet and her skinny ass up in the air. She was just this side of turning blue. I had her real harsh, and she didn't even know I was there. It was the next best thing to fucking a dead chick. When I was done, I could have taken my money and gotten out of there for free, but I left her an extra 50 for when she came to. Tipping her like that made me feel even better about the whole thing.

ROB K., HAIRDRESSER: I fuck more chicks than most guys. I'm not bragging; it's just a fact. And the

what you need," I told him. "You need someone to drive that car for you." He smelled like a brewery fire, but he had a fan of \$100 bills, and he climbed over into the passenger seat. At least I knew he wasn't a cop. I got behind the wheel and took him to a crib. He was singing all these Donna Summer songs from the '70s. We got inside, and he took all his clothes off, hit that bed, and he must have thought he was home with his wife. Went straight to snoring. Huge smile on his face. He had \$800, and I got a good price on the Lexus. Couple of weeks later, I'm back out on my feet, and he pulls up, sober, in one of those new Goldstar Cadillacs. Didn't know he'd ever met me. I did him in about five minutes, but I almost wished he'd been drunk again. I really like those new Cadillacs.

LUPITA: I'm not very happy that I do what I do for money. I was brought up in the Church, and I know what I do is wrong, but I have two babies, and Bobby can't get work because he's got a jacket. If God doesn't want me to go to hell, then He should get Bobby a job. I work

outcall, and I got paged to a hotel not far from where I live. Bobby took me over there, and I went up to the room. The guy looked familiar when he opened the door, straight-looking and pretty uptight, but I couldn't place him right away. I gave him some head, then he wanted to get on top of me. He was up there, and he got this serious look on his face, and I knew where I'd seen him. My john was a priest; he was from my church where I went as a kid. He'd given me my first communion. He had the same look on his face that he got when he was blessing the bread. When he got off, I told him I recognized him and that I hadn't been to mass in about six years. He got uptight about that; so I asked him if I could do confession with him. That mellowed him; he listened to my sins. I think he went easy on my penance though, and he gave me a rosary from his coat. I told Bobby about it, and Bobby said the priest probably took the money that he paid me from the collection baskets. I put the rosary up on the wall above my little girl's bed anyway. I feel a lot better about what I do since then.

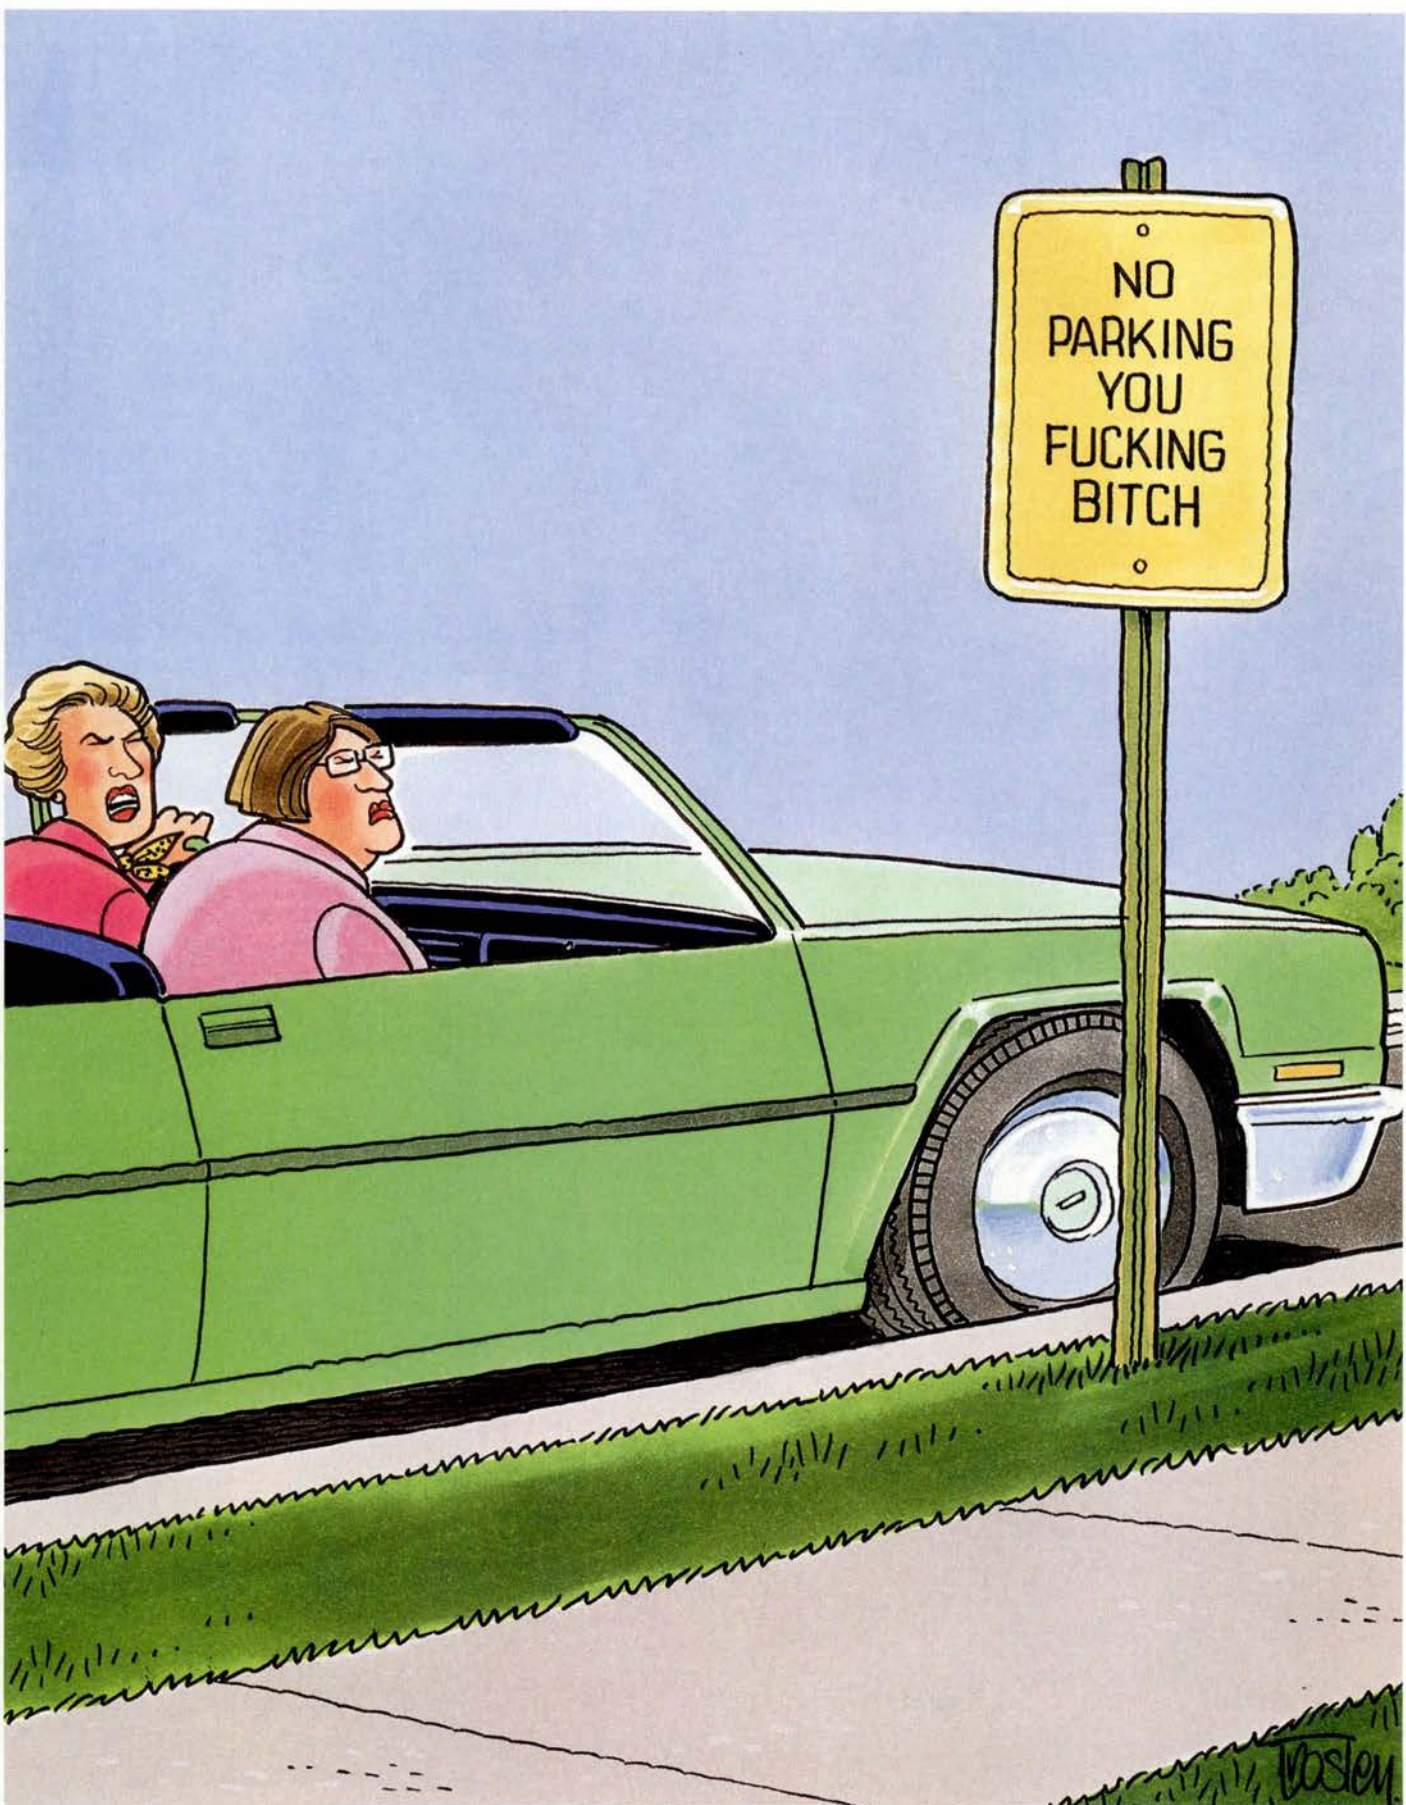

BLAZE: I call myself Blaze because I blaze. A lot of guys plan on getting a half-and-half from me, but they never last past the first half. I tell them straight out, I'm the best mouth their dick ever met. I love making them blow before they want to. I feel like I've actually done something. My best trick was the guy I got off in his car. I got out, and he took off before he'd had time to come back to earth. Drove straight into a fire hydrant. Snapped it right off. Water shooting all up from under his car. He's sitting there with this stupid grin. Never will be enough water to put out Blaze.

YOLANDA: Those little Japanese men are my favorite. Call me racist for saying so, but I ain't met one yet who's gonna give the average Tyrone any competition in the johnson department. Plus, they're clean and polite, though a little stiff-shirted, and they never rip you off or pull out a razor—in fact, it's easy for a big, black girl to get them scared enough that they pop quick and go away. They haggle, but they've got money to meet my price. And I can always make someone who's shorter than me meet my price.

CARLOTTA: Power and celebrity mean as much to me as money. But money is important. I take it as a point of honor that I'm a high-ticket item. Most of your readers wouldn't be able to afford a lunch call from me. My earning capacity is often greater than that of the men I service. That kind of wage power puts me on an even footing with the client; it gives me a panache that translates into the sex. In part, I'm worth so much more money precisely because I make so much more money. When I'm with a man who controls a Fortune 500 corporation, I'm an important cog in the world of finance and industry, every bit as essential as a consultant or other experts. I am, literally, a piece of the action, the global action. If I'm doing a man who controls vast reserves of capital, then I don't see his overhanging gut or the hairs growing out of his ears. I see the lines of power, the interconnecting nets of destiny—I see him for what he really is, and I fuck him like he deserves. My most shining moment to date was with a universally worshiped rock star who has gone into film and parlayed his personal wealth into one of the most massive individual holdings in history. Obviously, I cannot divulge his identity; I maintain a level of professional ethics. But just as his memory will always be with me, every time I see his face on TV and every time I hear his art on the radio, so a part of me will always be with him as he moves throughout the highest

A woman with blonde hair is lying on her back on a red blanket in a grassy field. She is looking up towards the sky. A large tree trunk is visible on the left side of the frame. In the foreground, a wooden sign with a black outline and a black arrow pointing to the right is positioned. The sign has the text 'Valerie & Meg Snatch Patch' and a paragraph of text below it. The background is a lush green field with trees in the distance.

Getting back-to-back with nature are Valerie and Meg, sisters under the skin. "This neck of the woods is reserved," giggles Valerie. "It's not a neck," answers Meg. "It's a nook. Short for nookie!" Bird-watchers, take note. These are two for the bush.

chicks I fuck, they're better looking than most guys can hope for. I'm around women; I deal with them all day. I know their vulnerable areas, and I know how to make them feel secure. Call me a faggot hairdresser, but I never had to go to a whore. Then this Heidi Fleiss story broke. Fifteen-hundred-dollar hookers! What could make a chick worth one and a half grand? My curiosity was piqued.

What I did was, I got the cash off this woman I clip. She's a total bitch who just loves to throw away her asshole husband's money. In exchange, I let her stay in the closet and watch.

Not just anybody can get a \$1,500 hooker. Simply having the money is not enough. A guy needs to be connected; there's a screening process for the customers.

The madams, or whatever, are as selective about who fucks the girls as they are about the girls themselves. But that's another thing about being a hairdresser; you get

contacts. So I was all set up.

I got this suite at a four-star hotel—high-price call girls will not go to a low-rent address—and the girl arrived. She didn't just look like a model; she was a model. I'd seen her in fashion magazines lying around the shop. Of course, I fuck girls like that for free all the time, but not with another one squatting in the closet.

It was sort of fun, and I liked throwing away perfectly good money on a piece of snatch. I did her a couple of times so she'd think she'd given me my dollar value, then I sent her off.

As soon as the call girl was out the door, my rich bitch came bursting out of the closet. At first I couldn't get much into her, but she basically raped herself on the bedpost, and that brought me up. She loved the whole trip.

We've done the same thing again, six times I guess, since the first one. When it's over, the rich bitch always gives me a fat little envelope, with compensation to match what we pay the hooker.

I'm not sure how much longer I'll be doing this trip. It's getting old, and I'm starting to feel like a prostitute myself. 🍆

"Please, c'mon, I promise I won't come in your mouth this time."

strata of society. Nobody can say I'm just a whore.

TERRY SUE: I'm a transsexual, and I like people who like surprises. A lot of tricks are hip to the transsexual thing chicks with dicks, guys with tits, whichever they call us. They'll pretend that they think I'm a natural-born girl, and I'll pretend that they think I'm a natural-born girl, and if I pretend good enough, then they don't know that I know that they know; do you know what I mean? Usually, they've got some sort of homosexual denial thing going on, which means they are flip flops, and they are not my favorite types. They either start to cry or they get angry after they come, and neither of those reactions does much for my self-esteem. Luckily, I'm a strong person. So I'm able to persevere until a good one comes along. I adore the kind of trick who really doesn't know. He can tell there's something different about me, and he's attracted to it, but he can't put his finger on what it is. Maybe he's a tourist, or a country boy, first time in the big city. I've got a sense for these guys. A woman always knows; that's how I know I'm a woman. They pick me up wanting snatch, but I make them happy to settle for a blowjob, and I give the killer blowjob. After the guy's come, and he's settled and relaxed, I size him up and see if he's ready for dessert. If I think he's got that sweet tooth, and I've only been wrong once or twice, then I let him in on our little secret. I break it gently, maybe flexing my biceps up in his face where he can notice. Then I squirm around and look uncomfortable. "My Kotex is bothering me. Give me a minute, honey, while I adjust it." They always have to look. Can't stop themselves. Then they see hank down there, and they break into the biggest grin, and they've got something to think about when they go back home. I'm grinning too, and the look on his face keeps me glowing for the rest of the night through.

PHYLLIS: The trade is purely a business to me. I'm a people person, I guess. That doesn't mean I enjoy people; it means I work well with them. I can get them to go the way I want them to go. If it wasn't this, I'd be in sales, but I'd be busting my ass harder for less money, and I'd still have some sales manager prick wanting a piece of ass. The sex means nothing to me

doing when they drafted the Second Amendment?"

Waiting periods can be life-threatening during periods of personal crisis as well. On March 5, 1991, Wisconsin resident Bonnie Elmasri inquired about purchasing a gun to protect her and her two children from her estranged husband, who, despite a court-issued restraining order, had threatened their lives. Wisconsin's 48-hour waiting period prevented Elmasri from obtaining a firearm immediately. Twenty-four hours later, Elmasri and her two children were slain at her ex-husband's hand.

"Although New Jersey law requires that the authorities act on gun license applications within 30 days, delays of 90 days are routine, and some applications are delayed for years for no valid reason," says Second Amendment scholar David B. Kopel. "In Maryland, the police are overruled on 78% of the [weapons obtainment] denials that are appealed. In New York City, [even] crime victims [scheduled to] testify at a forthcoming trial, who are receiving death threats from the criminal element,

are denied gun-carrying permits that politically powerful citizens are routinely granted."

Many of its supporters view the Brady as the start of a major war on gun ownership. Sarah Brady favors outright bans on handguns and semiautomatic rifles. In 1976, Handgun Control Inc.'s Chairman Emeritus Pete Shields stated that the organization's ultimate goal was to outlaw the possession of all handguns and handgun ammunition—except for the use of the military, police, licensed security guards, licensed sporting clubs and licensed gun collectors.

Shields and Brady currently deny such a sweeping referendum. However, the 1990 version of the Brady Bill redefined "handgun" from the standard definition of a gun with a barrel of 16 inches or less, to a gun that may be held and fired with one hand, which would cover nearly every type of gun in existence.

Sarah Brady's husband Jim was critically wounded by John Hinckley Jr. during Hinckley's 1981 attempt to assassinate President Reagan. Hinckley bought his gun five months before he

committed his crime, and he had no police or mental-health records that would have held up the purchase under the Brady Bill standards. The Brady Bill, named on Jim Brady's behalf, would not have forestalled his shooting.

Sociologists James D. Wright and Pete Rossi have researched gun control since 1978 for the National Institute of Justice. A ten-state, 1981 study by Wright and Rossi found that only 12% of convicted felons of gun-related crimes had obtained their weapons legally. The majority of criminals had stolen their firearms or acquired them from legal purchasers.

One of the chief intended benefits of waiting periods for firearm purchases is to provide a cooling-off period. Wright and Rossi determined acquaintance murders are typically the culmination of long years of violence among persons living within abusive relationships. Criminologist Donald G. Kates concurs, noting, "[Acquaintance murderers] frequently have life histories of substance abuse, felonies and attacks on relatives and acquaintances."

According to Kates, incidents of criminals killing criminals are included in acquaintance-murder statistics, which misleadingly distorts the numbers. Wright concluded, in 1981: "It is commonly hypothesized that much homicide would not occur were firearms generally less available. There is no persuasive evidence that supports this view."

Republican Senator John Chaffee of Rhode Island has proposed legislation that would require all private citizens to turn over their handguns to the government. Ownership of handguns would then be outlawed. The bill would reimburse owners for a fraction of the value of their confiscated weapons, and would penalize resisters with fines of up to \$5,000 and prison sentences of up to five years.

Chaffee estimates that there are some 66 million handguns in America. Millions of Americans take advantage of their Constitutional right to bear arms. In May 1989, California required owners of so-called assault rifles to register the firearms with the state government. A year later, only 7,000 of the estimated 300,000 such weapons had been registered, little more than two percent. Citizens simply refused to comply with the regulations, despite threats of penalties. In New York City, where difficult-to-obtain permits are required to legally possess firearms, surveys indicate several hundred thousand people own guns without permits.

For many Americans, inexpensive handguns are a life-or-death protection.

More than 2,500 Orlando women promptly took well-publicized handgun training from police instructors. A year later, the rape, assault, robbery and burglary rates plummeted.

"I find it unacceptable for a society that cannot protect its people to punish them for keeping or acquiring what they believe to be the necessary means of protecting themselves and their families," says criminologist Donald Kates.

Chicago judge David J. Shields describes the types of people arrested for violating that city's strict gun laws: "For most it is their first arrest; many are old people. Shopkeepers, persons who have been victims of violent crimes and others carry guns because of a sincere belief in their need for protection—these constitute the greatest number."

Statistics put the failure rate of rape attempts against women who are armed at 83%. According to Kates, there is no recorded example of an armed woman having her gun seized by a rapist and used against her. Bureau of Justice statistics indicate that criminals are able to turn weapons against their owners, male or female, in less than one percent of cases.

One woman who fears that gun-control restrictions would prevent women from quickly acquiring needed weapons is gun-rights advocate Sonny

Jones. "I [do] not approve of background checks, waiting periods, registration or mandatory training," says Jones. "Every woman in this country today is at risk. It is our right to use whatever means we choose to protect ourselves."

In 1966, the number of rapes in Orlando, Florida, tripled, accompanied by a dramatic increase in robberies. More than 2,500 Orlando women promptly took well-publicized handgun training from police instructors. A year later, the rape, assault, robbery and burglary rates plummeted in Orlando while continuing to rise throughout the rest of the state. Similar training elsewhere has also been followed by sharp reductions in violent crime.

Criminologist Gary Kleck, studying U.S. Justice Department figures, finds that for both robbery and assault, victims who used guns for protection were less likely to be either attacked or injured than victims who responded in any other way, including those who did not resist at all.

An estimated 30 million Americans own semiautomatic rifles. One-third of all new guns manufactured are semi-

automatics. The technology behind the weaponry is fundamentally the same today as it was at the turn of the century: After each shot is fired, a mechanism feeds another round into the chamber. The trigger must then be pulled again to fire that round.

Riflery capable of firing multiple shots with a single pull of the trigger is not available to the public, except under extremely restricted and regulated conditions. The major difference between today's semiautomatic, so-called assault rifle and a plain old semiautomatic hunting rifle is often simply that the assault rifle has been manufactured to look like a streamlined, fully automatic military weapon, with bayonet holder, night sights, pistol grips, etc. A far more accurate, if less dramatic, term for these weapons would be "assault rifle replicas."

One of the major problems with gun control is weapons definition. Since so-called assault weapons are mechanically virtually identical to common hunting guns, much anti-assault weapon legislation inevitably ends up also banning ordinary rifles and pistols. In 1989, Congress debated the Stark Bill, which would have imposed sentences of up to 80 years in prison for law-abiding citizens for mere possession of these highly common firearms.

Police and FBI statistics show that criminals much prefer weapons that can be more easily concealed than semiautomatic rifles. Hunting and sporting shotguns are used more commonly by criminals than semiautomatics.

The public outcry against assault rifles peaked in January 1989, when James Purdy opened fire on a schoolyard in Stockton, California, killing six people and wounding 29 others in about four minutes. Reports of the incident were misleading. The national media declared that Purdy had used an automatic AK-47 rifle, and that such machine-gun-like automatic weapons could be purchased over the counter—both falsities. Actually, Purdy used a semiautomatic rifle, and his rate of fire could have been accomplished with simple bolt-action rifles or revolvers.

No one would deny that America has a serious problem with gun-related violence. Gun-control advocates often point to other countries with strict gun-control laws, where gun murders are far lower than the United States. Handgun Control Inc. notes that, in 1985, handguns killed only 46 people in Japan, eight in Great Britain, 31 in Switzerland and five in Canada, as compared to 8,092 in the United States.

Yet such figures ignore crucial cultural

anymore. I never really liked it; not when my stepfather introduced me to it, not when the high-school football team took me on like I was a tackling dummy. I don't dislike it. Getting fucked is not the worst, and it's not the best. Maybe I'm emotionally shut down that way, but sex seems like a waste of time, unless I'm making money at it. My favorite trick is a regular. The guy works for the IRS. He's an auditor. He's dull, and he's a prick, but he gives me tips on the stock market, and he tells me where to stick my money where the government won't find so much of it. I don't like him any more than I like anybody else, but I'm a people person; so he thinks I care. God bless him. I got a kid; she's 12, and she's in private school. Another 16 months, and I'll retire. I've got some land out in the country, and that's where I'm taking my daughter. Far away from all these fucking people.

BUNNY: The best man I ever met working was a blind man. His brother made the arrangements. The brother was a tightwad. He tried to get me cheap because my thighs are big. He hurt my feelings. But the blind man made me feel good about myself. "Let me see you," he said, then he ran his hands all over my entire body, over every inch of it. He'd feel with his fingers, then he'd feel the same place with the edge of his face. He liked my thighs the best. He spent a lot of time with them. The blind guy made me feel really good about myself, and not a lot of guys do that.

CARMEL: My favorite john was Jack. We met in Hawaii. Jack's a biker, and he'd just got out from under a long stretch of down time. He's a good-looking man, if you know what to look for. He's rough, but I could see he was kind. I was getting tired of what I was doing. The competition kept getting younger, and I didn't. I can do other things—I'm smart and a hard worker—but I didn't have anyone encouraging me to do other things.

The first few times with Jack, he just wanted to sit in a coffee shop and talk. Said he missed that. He treated me like a lady. He treated everybody with respect, unless they indicated otherwise. Anyway, by the time we finally went to bed, Jack was a freebie. He got me enrolled in a community college, and we started a little business together, and now we're married. I guess Jack was never really a trick, but he's still my favorite. 🐾

differences. The Japanese tolerate a level of police and government interference in their personal lives that Americans would find unconstitutional. In Britain, gun deaths were equally low before gun control was passed in 1920.

Switzerland requires all young men to undergo military training and to keep fully automatic assault rifles—true machine guns—at home. Other weapons, including high-tech combat ones, are also easily available and widely owned. Yet Switzerland's murder rate is lower than Japan's, England's or Canada's.

South Africa and Taiwan have the world's most severe gun laws—gun ownership there can be punished by death. Yet their murder rates are higher than the murder rate in the United States. In 1976, gun controls in Mexico and Puerto Rico were extremely strict. Yet Puerto Rico had murder rates well above the U.S. average. And Mexico had knife-homicide rates three times the U.S. murder rate for all weapons.

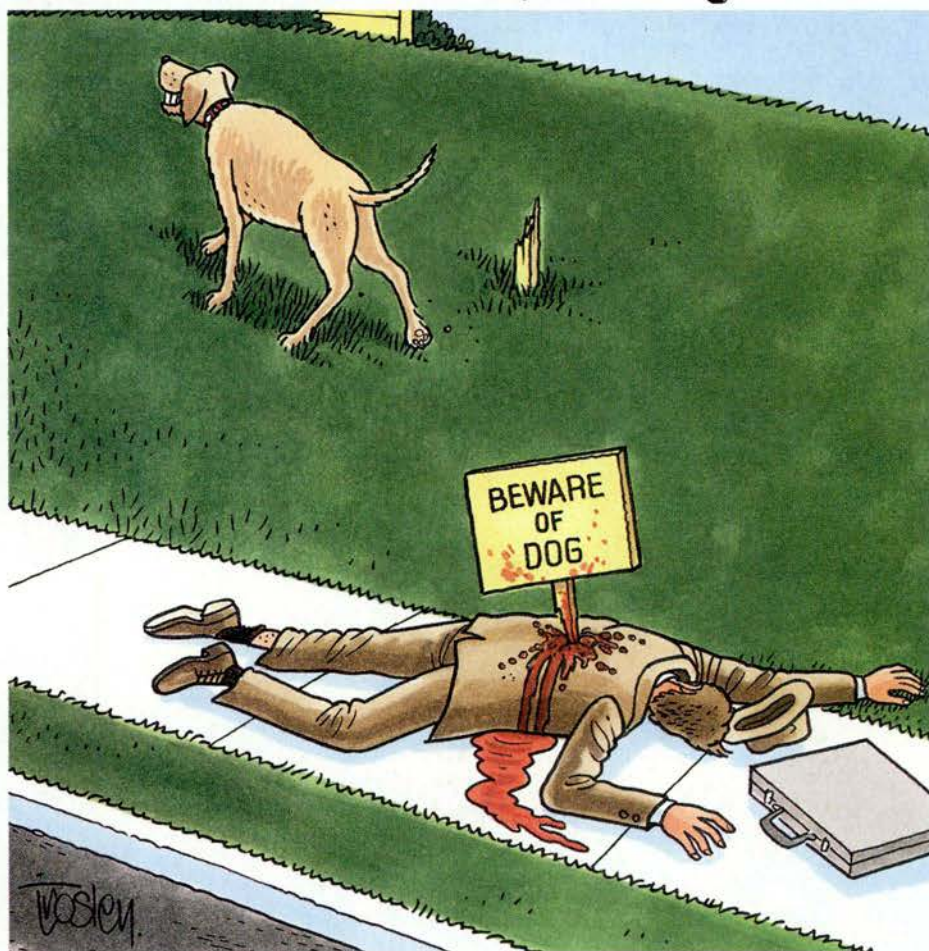

In 1987, Florida began allowing citizens to carry handguns in public. Though critics predicted bloodbaths, the opposite occurred. The national murder rate rose 14% from 1986 to 1991; it fell

20% in Florida. The state's murder rate was 36% above the national average in 1986; it's now four percent below. Since 1986, robberies rose 21% nationally; they only rose nine percent in Florida.

This common-sense view—that criminals tend to avoid areas where they are likely to encounter guns—is reinforced by a 1981 National Institute of Justice survey of convicted felons. Seventy-four percent of the felons said they believed burglars avoid houses where people are at home because they fear being shot. Fifty-three percent had personally chosen not to commit a planned crime for fear the victim might be armed.

National Rifle Association [NRA] membership recently reached a new high of three million. Tens of thousands of new members are joining each month. Clearly, more and more Americans favor the Constitutional right to keep and bear arms.

The Clinton Administration favors gun control. The Brady Bill and other local, state and national gun-control laws are nearing passage. A shootout on the Second Amendment seems inevitable; there's a very real possibility that Americans will soon face severe, unprecedented restrictions on their right to keep and bear arms. 🐾

See photos and videos demonstrating an actual increase of **5 inches!** The only complete penis enlargement system including step by-step instructions used successfully for 20 years with more than **5 Million** men!

PENIS ENLARGEMENT

**MAKE YOUR PENIS HARDER,
THICKER, WITH ERECT
MEASUREMENTS UP TO 12
INCHES OR YOUR
MAXIMUM POTENTIAL!**

The following photos dramatically demonstrate an actual case history before and after using our powerful **Penis Pump**. The man demonstrating these increases is Chris Parker. His height is 5'9", and his weight is 135 lbs. The pump can be used by any man of any age, any height or weight for a longer, thicker, harder penis.

Before using the Penis Pump, Chris' penis is thin and small, about 3 inches

In this photo, Chris inserts his small penis into the pump.

Above, Chris has grown 2 to 3 inches but has not reached his maximum potential

Chris shows you his penis without the pump. There is a remarkable increase, but he can still grow and reach his maximum.

Look at Chris now! See how much longer, thicker and harder his penis is!

In this photo, Chris almost fills the entire pump. He is much thicker and 10 inches long!

A close-up look at Chris' thicker, longer, harder penis.

Even without an erection after using the pump, Chris' penis is much thicker and longer.

Our Penis Developer will increase penis length, thickness and make your erection harder and stiffer. Complete step-by-step instructions on our video and magazine. Do not accept any substitute. This is the original How-To-Penis Enlargement System developed over 20 years ago.

AFTER MORE THAN 20 YEARS . . . THE ORIGINAL SUPRA-12 PENIS ENLARGER

YOU CAN ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Is the size of your penis bringing you down? Want to "hang out" where the big boys do? In the neighborhood of nine, ten, eleven inches or more? Then wrap your fist around this hot new package offer which includes the very latest in vacuum pump design and the world's first "personal trainer" video on penis enlargement!

DESIRE IS NOT ENOUGH

The world is literally full of men who have tried to increase their genital measurements - and have failed miserably. The secret of success lies in personal professional instruction such as that supplied by our **SUPRA-12 SYSTEM**. Here in step-by-step easy to see and understand techniques you will be guided on the path to success! Now, with a simple device you can follow in the footsteps of over 3 million men who have proven that there is a way to **INCREASE PENIS SIZE AND THICKNESS!** A safe and proven natural way to add inches to penis length and thickness.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

The male erection results from the flow of blood (triggered by stimulation) into hollow chambers inside the penis. As these chambers fill, the penis grows in diameter and length until the chambers are filled to capacity. By increasing the capacity of these chambers (making them bigger), they can hold more blood and the result will be a **LONGER, THICKER PENIS**. The **SUPRA-12 Vacuum Enlarger** is the very zenith of technical perfection - the latest in design and comfort - nothing short of "miraculous" in the way they allow you to **ACTUALLY SEE YOUR OWN PENIS** grow inside the clear, picture window sleeve. Immediately you'll see just how **really BIG** . . . how **really FAT** . . . how **LONG** . . . how **HARD** and **STIFF** your own penis can get!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The **HEAVY DUTY MANUAL** model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONG** and **THICKER**. And for the connoisseur, the powerful **ULTRA DELUXE ELECTRIC** model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The **ULTRA DELUXE ELECTRIC** is perfectly safe and as quiet as a whisper.

Accept no substitutes!

YOU OWE IT TO YOURSELF . . . TO YOUR SEX PARTNER . . . TO YOUR SELF-ESTEEM . . . JOIN THE COUNTLESS OTHER MEN WHO STARTED OUT "AVERAGE" OR "BELOW AVERAGE", AND LEARNED ALL ABOUT MAKING A "BIG" IMPROVEMENT IN THEIR SEX LIVES!!

NEW, IMPROVED ELECTRIC MODEL
Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten."

I've Got a Box For You

Hi, my name is Sandy. I'm a "model," if you know what I mean. I'll pose for you in any position you like, alone or with friends of either sex. And if you want to be in the right place at the right time, I'll do a lot more than just pose. In a small town like this there just isn't enough action to keep a girl going. But I love it and don't want to leave. So I'm branching out and trying to make friends all over. Send me \$3.00 and I'll rush back my sample box of special photos. Tell me how you want me and I'll try to include some shots to your specifications. Over 18, please.

NEXT MONTH IN HUSTLER

February HUSTLER on sale December 21, 1993

SWEET HARD

HUSTLER in February beats Cupid single-handed with a fistful of Valentines guaranteed to warm the hards of cunt connoisseurs. Strip and sun alongside a river-running blonde sprinkling trimmed trim with nature's elixir; watch a dame who's burned her bedroom in flame-red stockings receive a fireman's daring dick-to-tit resuscitation; stroke the budding curves of a smooth-chested 19-year-old virgin on the verge of womanhood; doll it up with a lace-clad pillow-humper making lipstick traces and wet-clit embraces in a canopy bed; and bounce between the bulging breasts and bubble-butts of two twat-stretching, tongue-twisting twins. HUSTLER in February shoots and scores.

FRY CURE

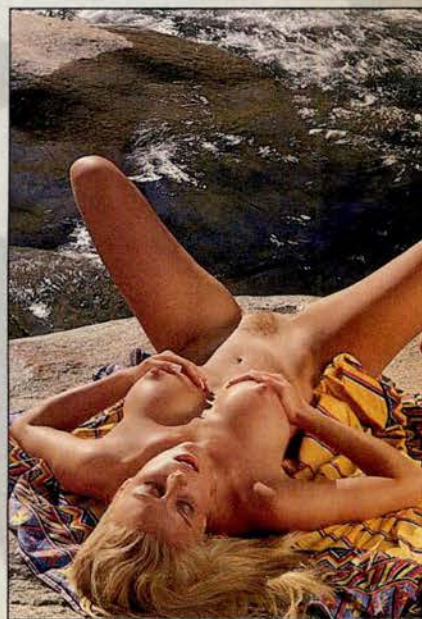

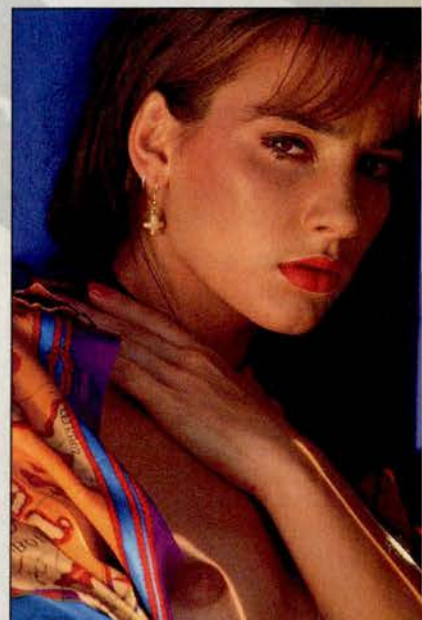

The researcher responsible for introducing electric-shock therapy into the field of psychiatry drew his inspiration from a tour of a slaughterhouse, where he observed pigs convulsing after being shocked with an electric prod. Early recipients of electroconvulsive therapy suffered broken bones, impaired reasoning and death. Today, electroconvulsive therapy is a recommended treatment for depression by the Health and Human Services Department of the United States. Patients receiving shock therapy number approximately 100,000 annually. Opponents of the controversial treatment claim more electricity than ever is required to obtain alleged therapeutic results. Detailing the technology and dangers of electric-shock therapy is *Current Psychiatry*, writer Adam Parfrey's bracing account of a medical procedure many consider inhumane.

ISLAM SLAM

Islam is the fastest-growing religion in the United States, with an estimated three to four million Americans calling themselves Muslims. Approximately 100,000 African Americans belong to the Nation of Islam, the black separatist sect famously portrayed in Spike Lee's movie *Malcolm X* and proselytized by rap groups. The Nation of Islam differs from traditional Muslim beliefs in that it teaches that blacks should live separately from whites, who are described as "blue-eyed devils." Less known is that the Nation believes that flying saucers are poised to sweep down from the skies and destroy the white race with fire and poison gas. Writers Jim Redden and G. J. Kruprey reveal the secret history and alleged crimes of the Nation of Islam in *Profit Muhammad*, a wake-up call that heralds a revolutionary movement rallying America's youth through popular music.

ZINGS AND EROS

The hidden sex fears that haunt women in bed can lead to more than just performance anxiety, reveals writer B. Gordon Wheeler in *The Shadows Under the Sheets*, HUSTLER's *Sex Play* for February; *Hot Letters* finds beautiful women in unexpected places helping mailmen unload their bursting bags; *Beaver Hunt* finds beautiful women in expected places helping husbands and friends and a grateful mag; and *Bits & Pieces* rhymes *Cupid* with *stupid*. HUSTLER in February touches hards. Dig in.
